From: Joyce Guy
Date: February 1, 2019

The West Oakland Job Resource Center staff facilitated a number of activities to promote Careers in Construction to Oakland residents for job opportunities at the Oakland Army Base project and other construction projects.

This month's activities included:

Oakland Army Base Project: Staff provides assistance to contractors to meet local hire requirements by conducting verification of disadvantage worker for apprentices; processing Job Request & Referrals; and attending the weekly OAB-JV subcontractor meetings. WOJRC continues to support clients with transitional job placements while clients prepare for apprenticeship entrance exams. WOJRC continues to develop its organizational capacity to support the City and Port-side of the OAB warehouse operations.

Client Services & Outcomes: Clients Cased Managed (20), Math Prep Students (2),
Job Placements (0), Referrals to Apprenticeship (8)

Notes: Though there were no placements in January, WOJRC staff referred more people to apprenticeship programs this month than in the last five months combined and these referrals should become placements in the coming months.

Outreach Highlights: Supported by the monthly newsletter/calendar which is distributed to over 250 local agencies and partners. WOJRC staff also attended/presented at the following events/meetings:

(1) Community Corrections Partnership Programs and Services Workgroup Meeting

Alameda County PLA and other construction projects: PLA administrator for County projects is actively supporting WOJRC as the preferred hiring source. The WOJRC attends East County Hall of Justice and County Wide quarterly compliance meetings, includes AC Transit BRT MOU, Brooklyn Basin, and MAPLA meetings.

Alternative Funding Campaign: The WOJRC is directly funded by the City of Oakland and continues to seek alternative funding sources to increase our capacity to provide additional services to Oakland residents.
