Description: Centro Legal conducted Spanish outreach on behalf of Just Cities at their Newcomers Resource Fair in East Oakland, handing out the Oakland General Plan (OGP) flyer and other resources to share as a packet. The Newcomers Resource Fair was hosted to share resources with undocumented families who are newly arrived to the U.S. Centro Legal informed people what the General Plan is and that there will be lots of upcoming engagement events in the next four years. In future pop-ups (2022), we will ask community members to share issues and solutions and their future vision for Oakland.
