On 5 July 22, at approximately 0209 hours, a resident of REDACTED 39th Avenue contacted OPD Communication to report that his residence had been struck by gunfire. Reviewing his surveillance footage, he discovered that his neighbor from REDACTED 39th Avenue had shot his home while passing by in his car. The suspect and his vehicle were described by the victim. The victim reported that the suspect was present at his residence and that his car was parked on the street. Following a meeting with the victim and a preliminary investigation, it was determined that the suspect was in fact at home. At 1036 hours, Acting Lieutenant REDACTED (author) authorized the deployment of the Emergency Rescue Vehicle armored vehicle due to the possibility that the suspect was armed with a firearm. Before announcements were made, the suspect left the residence, which was surrounded by law enforcement. The suspect was apprehended with no further incident. Officer REDACTED drafted a search warrant for the residence in order to locate the weapon used in the commission of the crime.	5-Jul-22	1036 hours	Area 4	22-030586	LOP220705000157	Emergency Rescue Vehicle, PROs - 3	NONE	Suspect was believed to have shot into a house and was believed to be armed. <p>On July 22, at approximately 0023 hours, officers spotted a vehicle believed to have been involved in a shooting. Officers pursued the vehicle until Argus flew overhead, at which point the pursuit was terminated while Argus followed the vehicle. The vehicle continued to flee at a high rate of speed until it was rendered inoperable due to a vehicle collision. Multiple officers identified Wayne West as the suspect who fled the vehicle to the front door of REDACTED Church St. West was wanted for multiple felony arrest warrants and was believed to be involved in the shooting incident. The West attempted to break into the home (REDACTED Church St) but was unsuccessful. Two separate DATs were established, and West's armed status was unknown. The primary DAT was formed on the north side of the residence and negotiations for a peaceful surrender began with West. Three members of HNT joined the primary DAT. With the assistance of the Tango Team, which responded from the sideshow detail, a second DAT was formed. Due to the West's violent nature and belief that he was armed, I authorized the use of the Emergency Rescue Vehicle. The primary DAT continued negotiations with the suspect as the secondary DAT established a foothold on the south side of the residence, out of the suspect's line of sight. A canine unit from the OPD joined the Tango Team members to form the secondary DAT. The suspect was apprehended after HNT officers were able to negotiate a peaceful surrender following a lengthy standoff.</p>	17-Jul-22	0023 hours	AREA 5	22-031078	LOP2207170 00025	Emergency Rescue Vehicle, 9 Rifles on scene, 8 deployed	Argus was utilized for the pursuit. <p>A patrolling officer saw two individuals sleeping in a car backed into a parking space at the 76 Gas Station. As the officer approached the vehicle, he observed the right front passenger was in possession of a semi-automatic handgun. The Emergency Rescue Vehicle was deployed and utilized to prevent the vehicle from fleeing the parking space. When the driver awoke, he purposefully collided with the Emergency Rescue Vehicle to avoid capture. To dissuade the driver, one (1) less lethal beanbag round was fired into the driver's side rear quarter panel of the vehicle. The deployment of beanbag achieved the desired effect. The driver ceased his acts and turned himself over to police. The passenger also turned himself in to police without incident. As the suspects were being taken into custody, the armored SUV arrived on the scene and was not utilized.</p>	5-Dec-22	0123 hours	Area 4 Beat 25X	22-055893	LOP2212050 00036	Emergency Rescue Vehicle, Armored SUV, PROs - 5	Less Lethal Shotgun	Subject armed with a firearm. In the city of Hayward, there was a violent kidnapping. The Hayward Police Department pursued the suspect vehicle onto the freeway but lost sight of the car on Interstate 880. A short time later, a concerned individual contacted OPD Communications to report that a car (matching the description provided by Hayward PD) had arrived at the area of 71st Avenue and Spencer Street. A male matching the description of the Hayward suspect fled while dragging a female victim behind a residence. As a result of the incident's violent nature, I permitted the Emergency Rescue Vehicle to be used as cover. The Hayward Police Department employed their drone and the California Highway Patrol's helicopter to scan the perimeter for the suspect. The suspect was taken into custody and the victim was rescued.	10-Dec-22	0141 hours	Area 5 Beat 26Y	22-056782	LOP221210000073	Hayward PD Drone Utilized, Emergency Rescue Vehicle, PROs - 6	CHP Helicopter	Violent Kidnapping	Minor injuries to victim	NONE	Arrest made by Hayward PD	NONE

<p>Officers responded to a call for sEmergency Rescue Vehicle regarding the pointing of a firearm and threats to harm. Upon arrival, officers met with the victim who advised that the suspect had brandished a silver revolver at them and threatened to shoot them and their family. A records check revealed that the suspect had numerous similar reports against him and there was an active warrant for his arrest for firearm possession. A surround and call out was performed at the suspect's residence (REDACTED. Because it was believed that the suspect was still armed with a firearm, I authorized the deployment of armored vehicle resources from Alameda PD (both OPD armored assets were currently unavailable due to repairs needed). Primary and secondary DAT's were established and medical was staged nearby. I authorized the deployment of OPD's UAV's and a robot. During the incident, the suspect partially broke out the front window to his residence. An OPD officer used a less lethal bean bag round to strike the front door and another two bean bag rounds to further port the broken front window in an attempt to gain additional visual into the residence.
