

Port of Oakland Roadway Projects Overview

Community Advisory Committee Office Hours

September 16, 2025

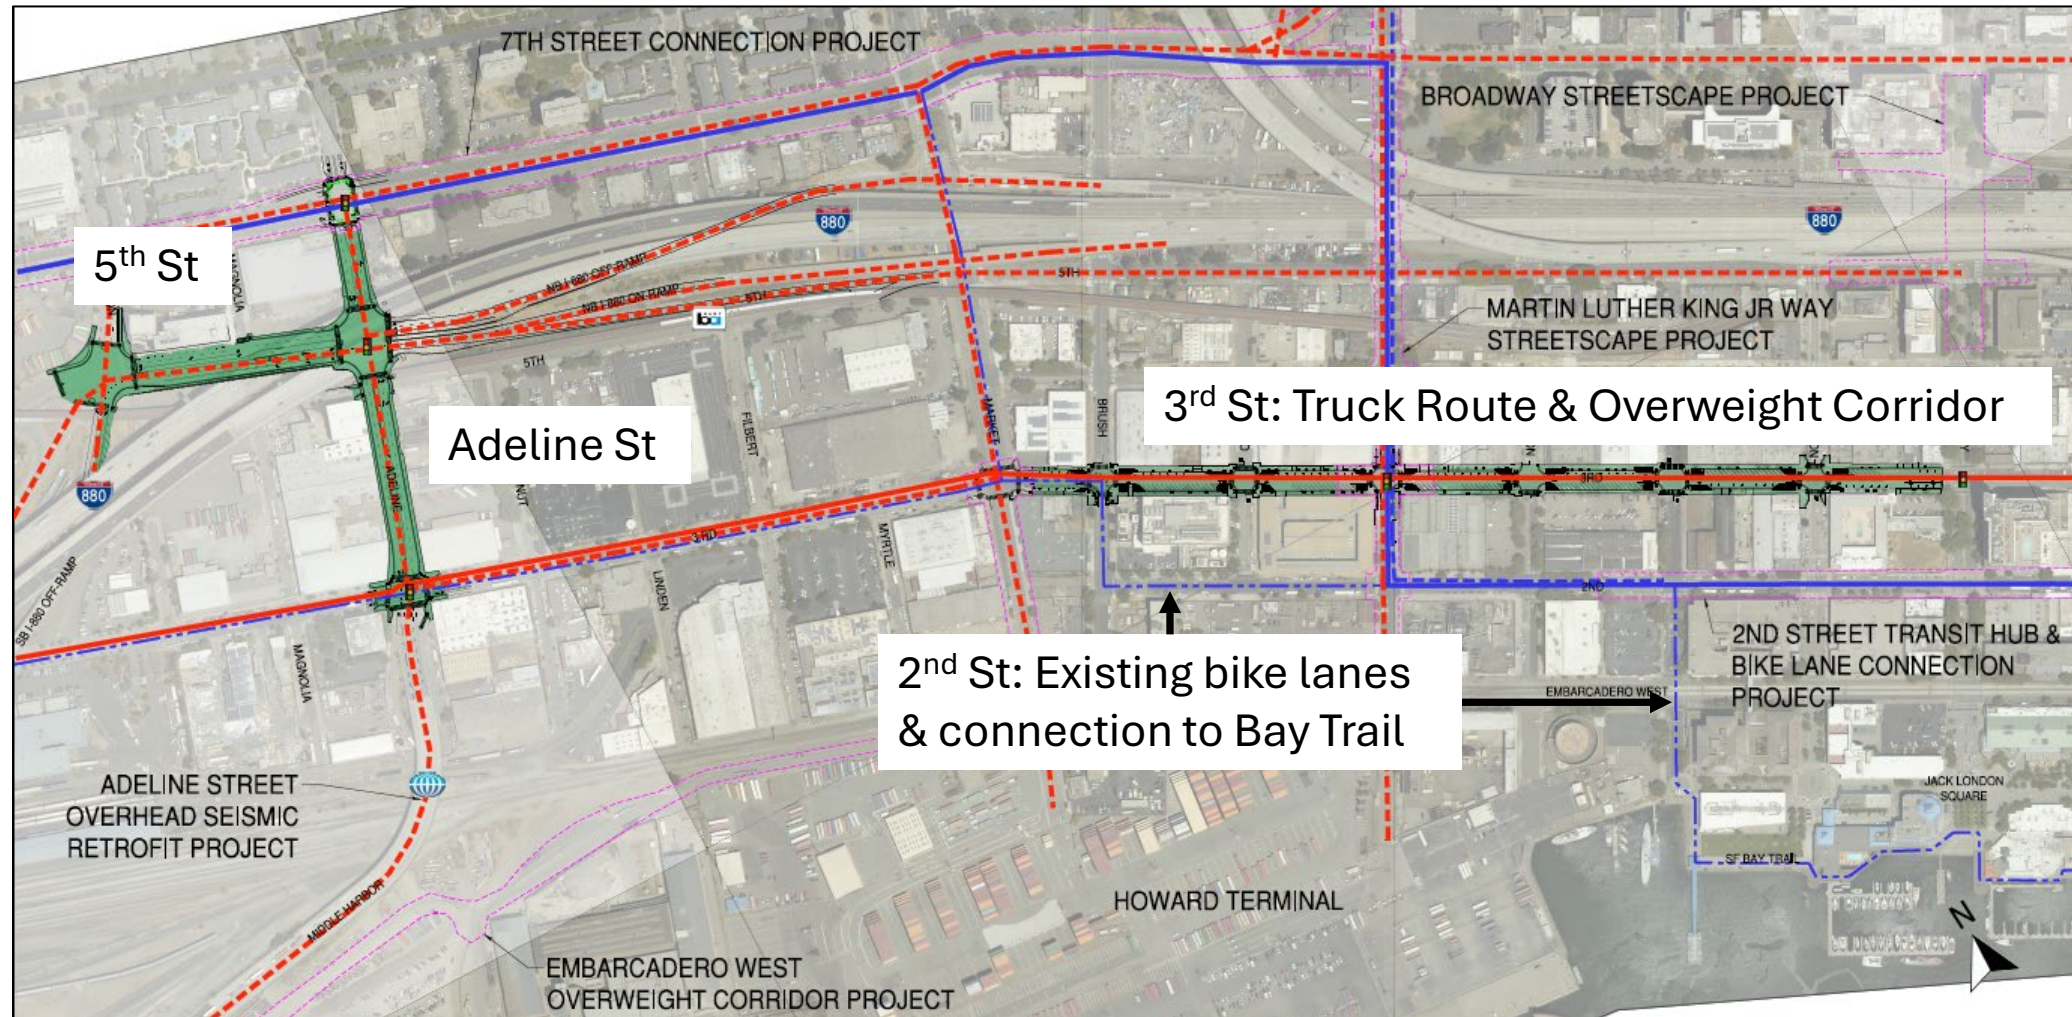

PORT OF OAKLAND

Seaport. Airport. Everyone's Port.

Background Information

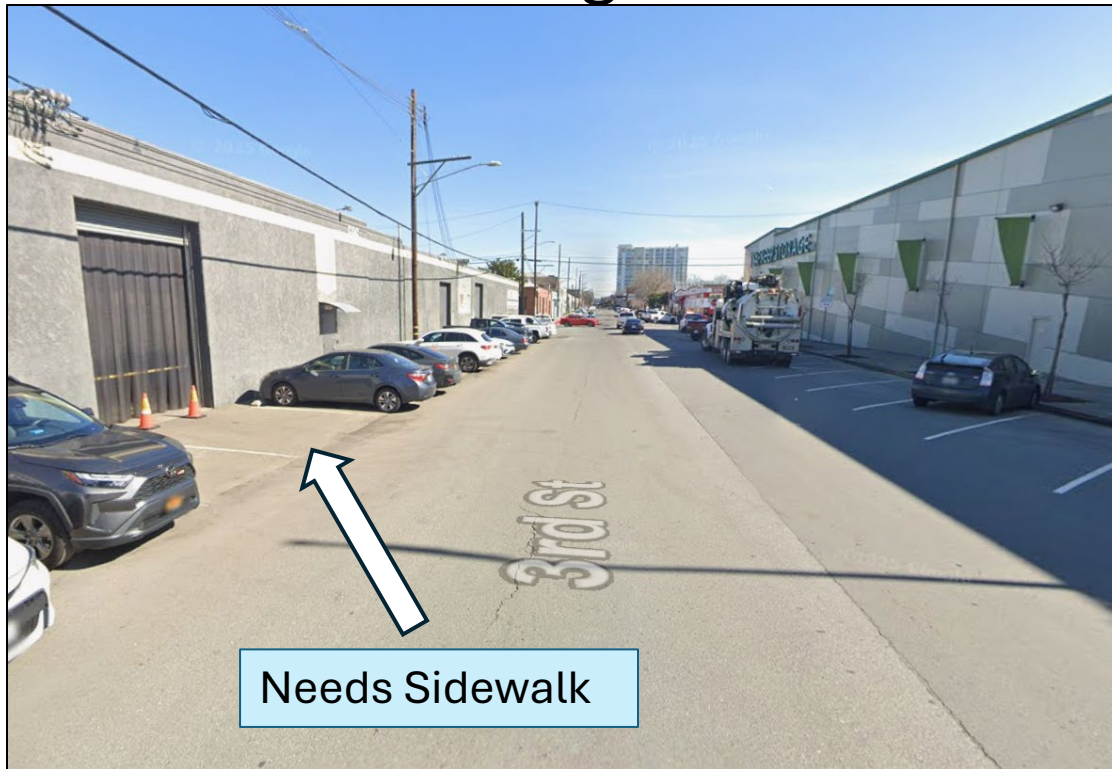

- Two roadway projects:
 - 3rd St, from Market to Broadway
 - Adeline St, from 3rd to 7th, including 5th St to Union
- Funding: CalSTA Port and Freight Infrastructure Program (SB198)
- Coordination/Outreach/Engagement
- Schedule:
 - Currently in very early stages of design
 - Design complete middle of 2026
 - Construction start early 2027
 - All construction complete early 2028

Project Area

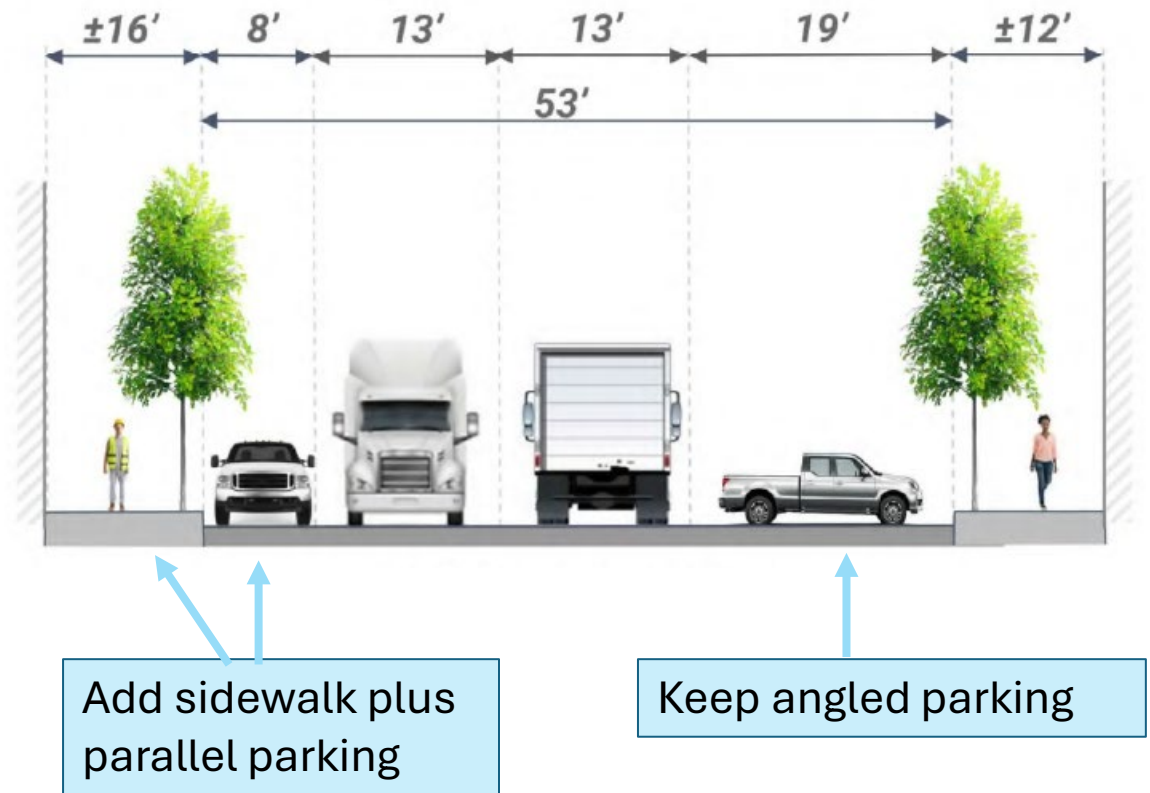

3rd St: Improve Pedestrian Safety & Mobility

Existing

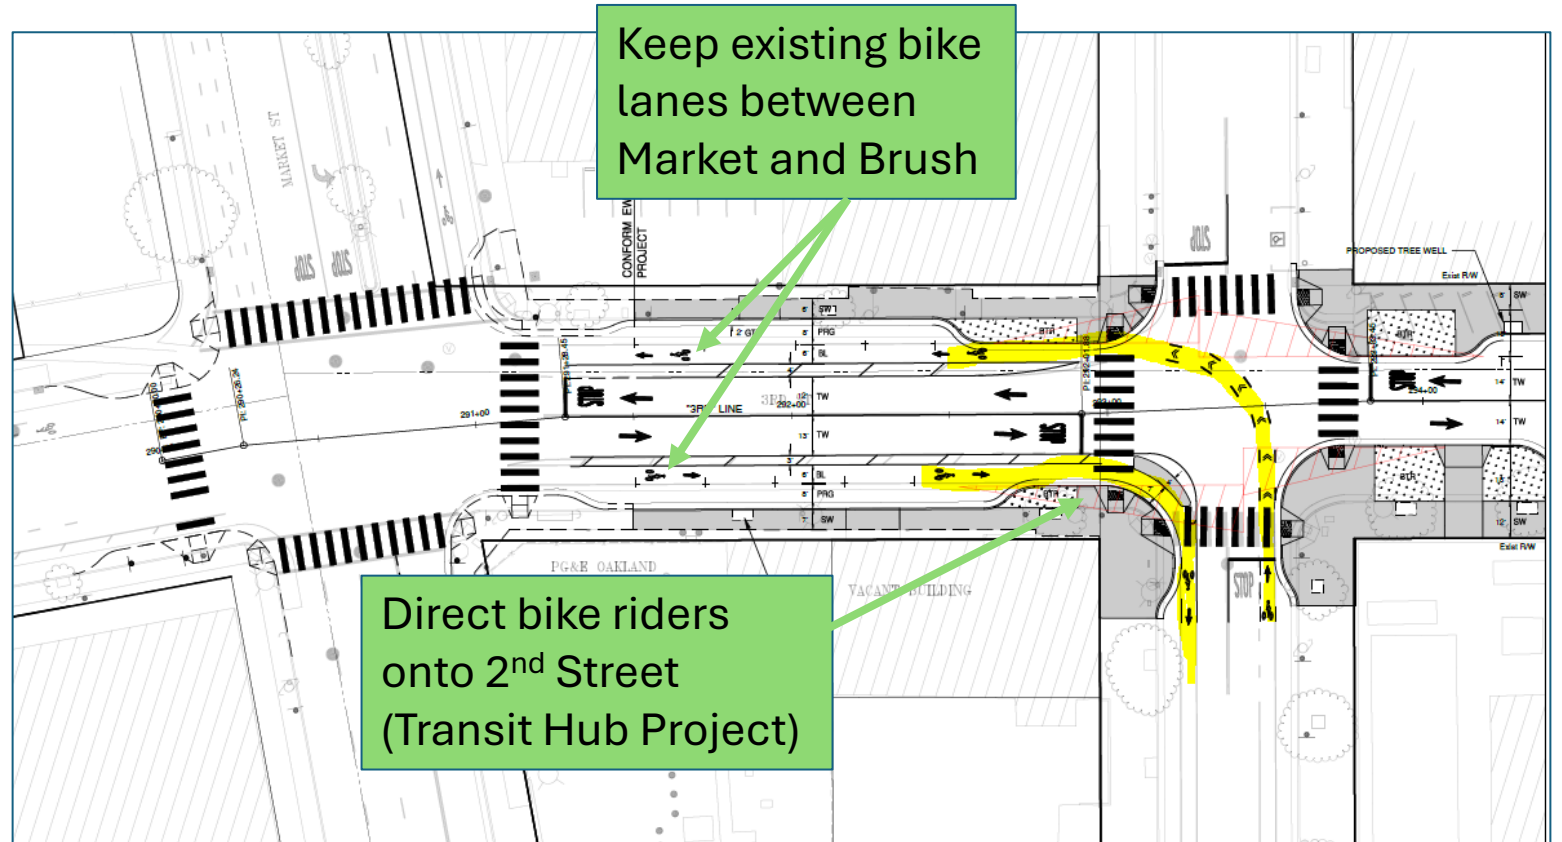

Future

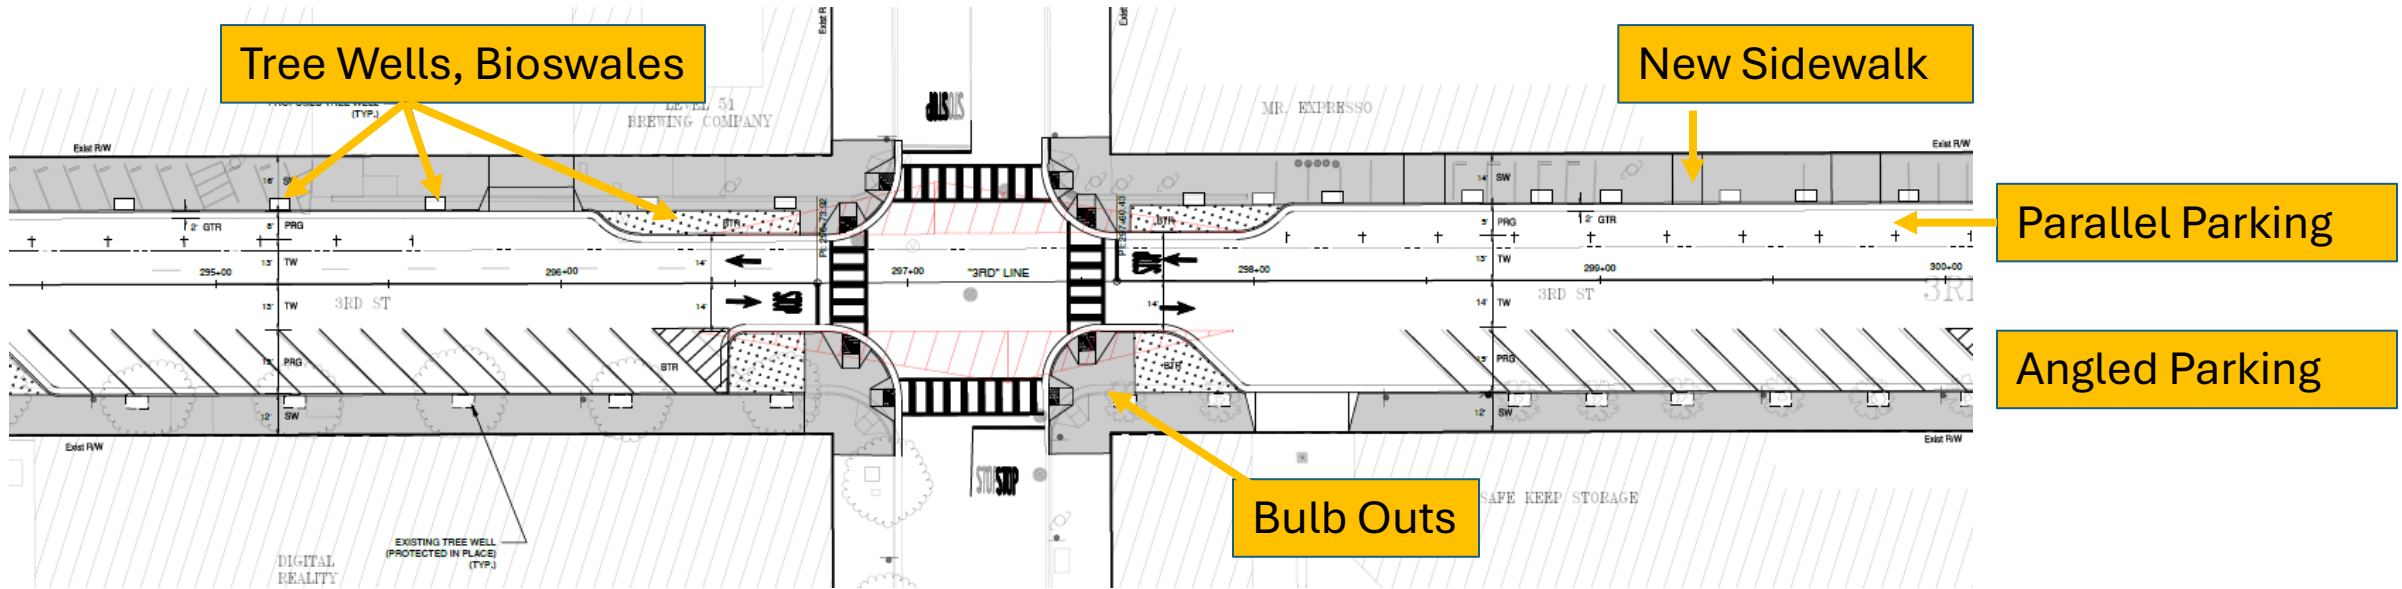

3rd St: Improve Safety for Trucks & Bikes

- 3rd St is a truck route
- Overweight trucks use 3rd St
- Encourage bikes to turn at Brush St to use existing bike lanes on 2nd St (safer)

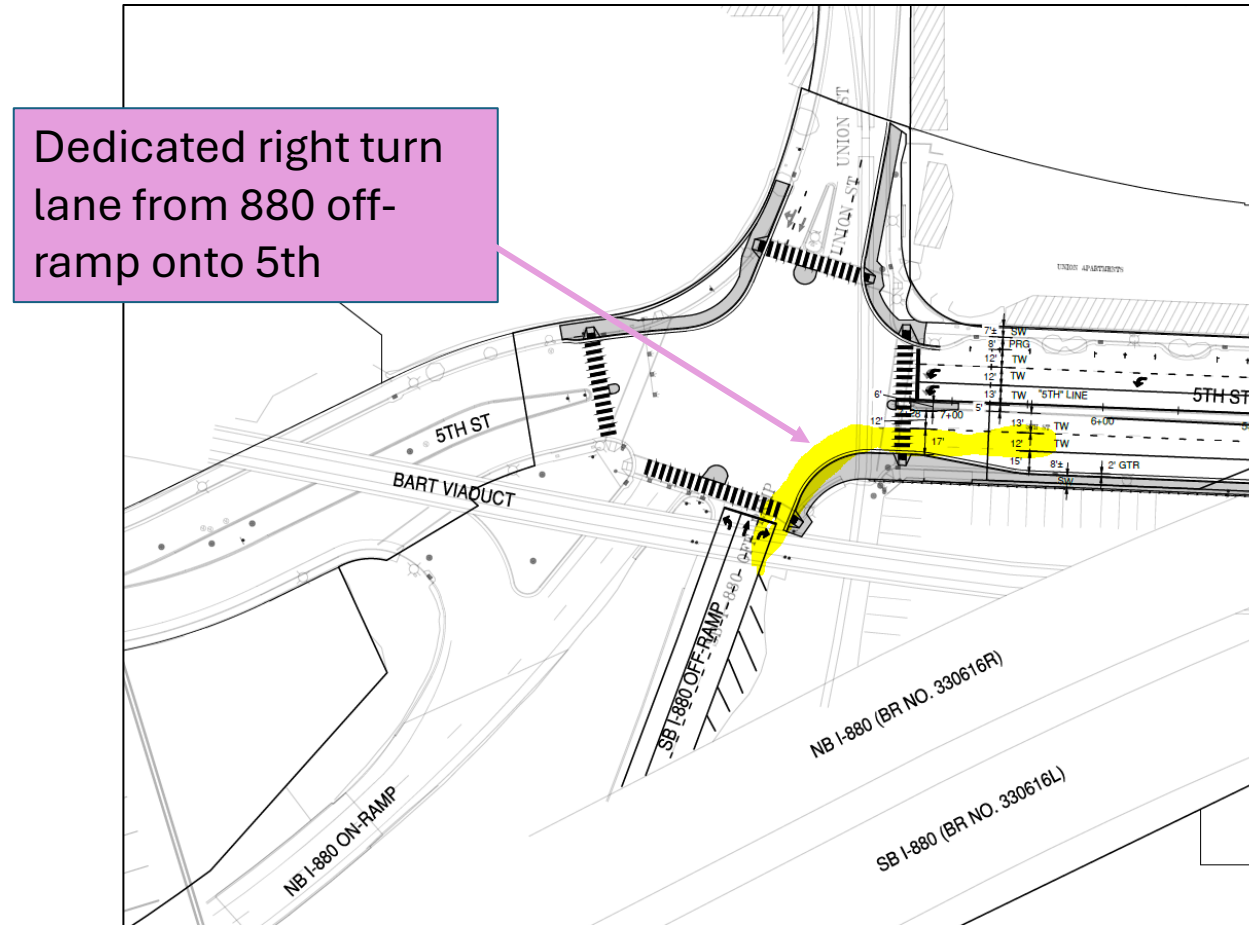

3rd St: Preserve Parking for Local Businesses & Improve Pedestrian Safety

- Keep angled parking on one side
- Create bulb outs for pedestrian safety
- Build sidewalks with tree wells

5th St: Improve Safety & Traffic Flow Off 880

Adeline St: Improve Safety & Traffic Circulation
