Department Response to ShotSpotter Alerts

ShotSpotter Activations
Citywide — 01 Mar. to 03 Jun., 2021
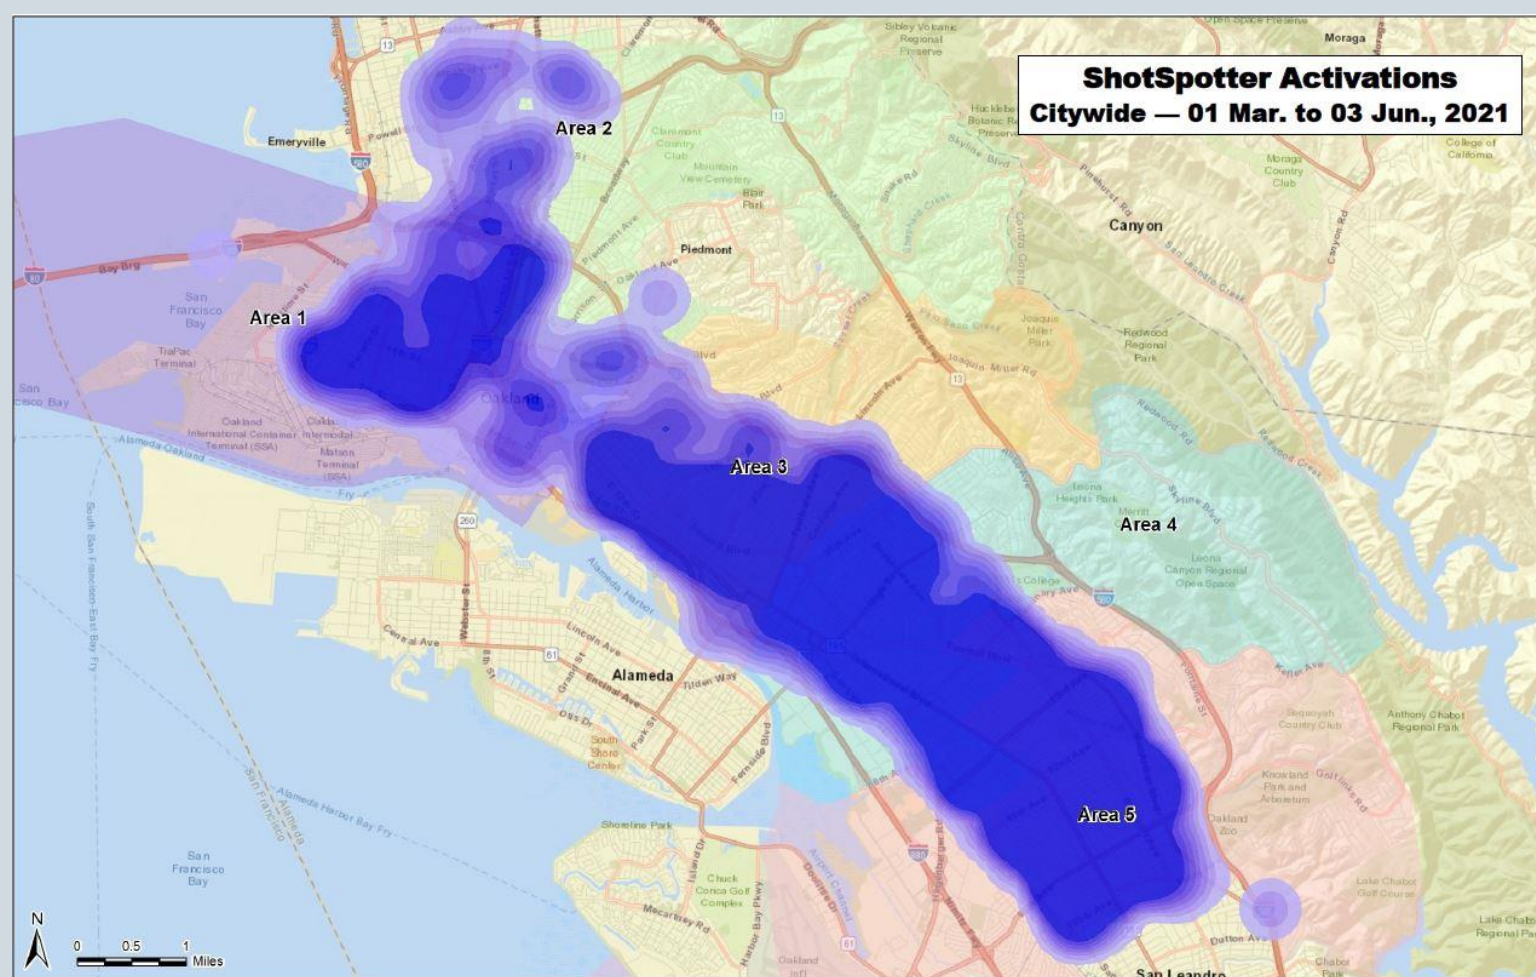

- Alert distributed to field officers via computer and cellular phone within moments of the gunfire
- Communications assigns Priority 1 designation to all ShotSpotter activations
- Officers respond to the scene and canvass for persons needing assistance, witnesses, and evidence
- Shell casings (evidence), if present, are collected and can be entered into a forensic database
- Comparison of shell casings can link different crime scenes, firearms, and even persons committing shootings – increasing the chances of holding violent persons accountable
