

In the opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel, subject however to certain qualifications described in this Official Statement, under existing law, the interest on the Bonds is excluded from gross income for federal income tax purposes and such interest is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, although for the purpose of computing the alternative minimum tax imposed on certain corporations, such interest is taken into account in determining certain income and earnings. In the further opinion of Bond Counsel, such interest is exempt from California personal income taxes. See "TAX MATTERS."

OFFICIAL STATEMENT

CITY OF OAKLAND

2012 LIMITED OBLIGATION REFUNDING IMPROVEMENT BONDS, REASSESSMENT DISTRICT NO. 99-1

The purpose of this Official Statement, which includes the cover page and appendices hereto (the “Official Statement”), is to provide certain information concerning the sale and issuance by the City of Oakland, California (the “City”) of its City of Oakland 2012 Limited Obligation Refunding Improvement Bonds, Reassessment District No. 99-1 (the “Bonds”). Capitalized terms used in this Official Statement and not otherwise defined herein have the meanings given such terms in the Fiscal Agent Agreement identified below, some of which terms are described in APPENDIX B – “SUMMARY OF THE FISCAL AGENT AGREEMENT.”

INTRODUCTION

This Introduction is not a summary of this Official Statement. It is only a brief description of and guide to, and is qualified by, more complete and detailed information contained in the entire Official Statement, including the cover page and appendices hereto, and the documents summarized or described herein. A full review should be made of the entire Official Statement and such documents. The offering of the Bonds to potential investors is made only by means of the entire Official Statement.

The City of Oakland

The City was incorporated as a town in 1852 and as a city in 1854, and became a charter city in 1889. The City is located in the County of Alameda, California (the “County”) across the San Francisco Bay, approximately seven miles east of San Francisco. The City is approximately 53.8 square miles in total area and had a population of approximately 395,341 as of January 1, 2012. See APPENDIX A – “CERTAIN DEMOGRAPHIC AND ECONOMIC INFORMATION CONCERNING THE CITY OF OAKLAND.”

The Reassessment District

General. The Reassessment District consists of 3,376 separate Alameda County Assessor’s parcels located in residential areas in the City, of which 2,587 have been reassessed and have unpaid reassessments (the “Reassessment Parcels”). The Reassessment District was formed in 1999 and consolidated the City’s 1994-1 Assessment District and the City’s 1994-2 Assessment District described herein. See “THE REASSESSMENT DISTRICT.” The City will levy reassessments as security for the Bonds pursuant to the Refunding Act of 1984 for 1915 Improvement Act Bonds, Division 11.5 (commencing with Section 9500) of the Streets and Highways Code of California (the “Bond Law”).

Prior Reassessment Bonds and the Prior City Bonds. In connection with the formation of the Reassessment District, the City issued its City of Oakland Limited Obligation Improvement Refunding Bonds, Reassessment District No. 99-1 issued on July 27, 1999 (the “Prior City Bonds”) for the purpose of refunding its 1994 Bonds (defined herein). See “THE REASSESSMENT DISTRICT.” The Oakland Joint Powers Financing Authority (the “Authority”) issued its Oakland Joint Powers Financing Authority Reassessment Revenue Bonds, Series 1999 (the “Authority Reassessment Bonds”) to finance the acquisition by the Authority of the Prior City Bonds. The Authority Reassessment Bonds were publicly sold, and were issued on the same date as the Prior City Bonds.

Proceeds of the Bonds, together with other available moneys, will be used to defease and redeem both the Prior City Bonds and the Prior Authority Bonds (together, the “Refunded Bonds”). See also “PLAN OF REFUNDING.”

Security and Sources of Payment for the Bonds

The Bonds are limited obligation improvement bonds of the City. The Bonds are secured by a first pledge under the Fiscal Agent Agreement of all the unpaid reassessments (the “Reassessments”) levied within the Reassessment District, together with interest thereon, and by the monies in the Redemption Fund and the Reserve Fund created pursuant to the Fiscal Agent Agreement. To provide funds for payment of the Bonds and the interest thereon in the event of a delinquency in the payment of Reassessment installments, the City will establish a Reserve Fund for the Bonds and will deposit therein cash or securities equal to the initial Reserve Requirement. Upon the occurrence of a deficiency in the Redemption Fund, the Fiscal Agent is required to transfer the amount of the deficiency from the Reserve Fund into the Redemption Fund. See “SECURITY FOR THE BONDS – Establishment of Funds and Accounts–*Reserve Fund*.” The Reassessments and all monies deposited into said funds (except as otherwise provided herein) are dedicated to the payment of the principal of, and interest and any premium on, the Bonds as provided in the Fiscal Agent Agreement and in the Bond Law.

There is no assurance that funds will be available in the Reserve Fund for this purpose; and if there are insufficient moneys in the Reserve Fund during the period of delinquency, a delay may occur in payments to the owners of the Bonds. The City’s obligation to advance funds to pay debt service on the Bonds in the event Reassessment collections are insufficient is limited to amounts on deposit from time to time in the Reserve Fund, and if so advanced will reduce the Reserve Fund by the amount of the funds advanced. No funds of the City other than the Reserve Fund will be available to cure any deficiency which may occur in the Redemption Fund. See “BONDOWNERS’ RISKS – Availability of Funds to Pay Delinquent Reassessment Installments” and “–Limited City Obligation Upon Delinquency.” **As authorized by the Bond Law, the City has determined not to obligate itself to advance available funds from the City treasury to cure any deficiency which may occur in the Redemption Fund, provided however that the City is not prevented, in its sole discretion, from so advancing funds.** See “SECURITY FOR THE BONDS.”

The Bonds are not an obligation of the State of California (the “State”) or any of its political subdivisions, other than the City (and to the limited extent described herein), and neither the City nor the State or any of its political subdivisions has pledged its full faith and credit for the payment of the Bonds.

Purpose of the Bonds

The proceeds of the Bonds, along with other available funds, will be used for the following purposes (see “PLAN OF REFUNDING”):

- (i) to make a cash deposit into the Escrow Fund (the “Escrow Fund”) created pursuant to the Escrow Deposit and Trust Agreement (the “Escrow Agreement”), dated August 1, 2012, among the City, the Authority and The Bank of New York Mellon Trust Company, N.A., as escrow agent, to provide sufficient moneys, along with other available moneys, to pay principal of and interest on the Refunded Bonds due on September 2, 2012 and to redeem, on September 2, 2012 (the “Redemption Date”), the remaining outstanding Refunded Bonds;
- (ii) to make a deposit into a debt service reserve fund in an amount equal to the Reserve Requirement (as defined below) as of the Closing Date; and
- (iii) to pay the costs of issuing the Bonds.

Authority for Issuance of the Bonds

The Bonds are issued pursuant to the following:

- (i) the Bond Law;
- (ii) “A Resolution Authorizing the Issuance of Refunding Bonds, Approving and Directing the Execution of a Fiscal Agent Agreement, A Bond Purchase Agreement and An Escrow Deposit and Trust Agreement, Authorizing Sale of Bonds, Approving and Authorizing Distribution of An Official Statement and Authorizing Other Related Documents and Actions with Respect Thereto” (“Resolution of Issuance”), adopted by the City Council on July 17, 2012; and
- (iii) a Fiscal Agent Agreement, dated as of August 1, 2012 (the “Fiscal Agent Agreement”), between the City and The Bank of New York Mellon Trust Company, N.A., as fiscal agent (the “Fiscal Agent”).

See “THE BONDS – Authority for Issuance.”

Description of the Bonds

The Bonds will be issued as fully registered bonds, registered in the name of Cede & Co. as nominee of The Depository Trust Company, New York, New York (“DTC”), and will be available to actual purchasers of the Bonds (the “Beneficial Owners”) under the book-entry system maintained by DTC. See “THE BONDS – General Provisions” and “– Book-Entry Only System.” *So long as the Bonds are in book-entry form only, all references in this Official Statement to the owners or holders of the Bonds shall mean DTC and not the Beneficial Owners of the Bonds.*

The Bonds will be issued in denominations of \$5,000 or any integral multiple thereof. Interest is payable on March 2, 2013, and semiannually thereafter on September 2 and March 2 each year. See “THE BONDS – General Provisions” and “– Book-Entry Only System.”

Redemption. The Bonds are only subject to redemption as a result of prepayment of Reassessments by property owners, on any March 2 or September 2, at a redemption price equal to the principal amount to be redeemed, plus accrued interest to the redemption date, and, if redeemed prior to March 2, 2023, together with a premium. See “THE BONDS – Redemption.”

The Bonds are not subject to optional redemption prior to maturity.

Bondowners' Risks

Certain events could affect the availability of funds sufficient to pay the principal of and interest on the Bonds when due. See "BONDOWNERS' RISKS" for a discussion of certain factors which should be considered, in addition to other matters set forth herein, in evaluating an investment in the Bonds.

Continuing Disclosure

The City, for purposes of Rule 15c2-12 of the U.S. Securities and Exchange Commission, has agreed pursuant to a Continuing Disclosure Certificate to provide certain financial information and operating data relating to the City and to provide notices of the occurrence of certain enumerated events. The Annual Report and notices of events will be filed by means of the Electronic Municipal Market Access (EMMA) site maintained by the MSRB. See "CONTINUING DISCLOSURE." The specific nature of the financial information to be provided or of the enumerated events is contained within APPENDIX E — "FORM OF CONTINUING DISCLOSURE CERTIFICATE."

Professionals Involved in the Offering

All proceedings in connection with the issuance of the Bonds are subject to the approval of Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel to the City. The Bank of New York Mellon Trust Company, N.A., San Francisco, California, will act as the Fiscal Agent. Curls Bartling P.C., Oakland, California, is serving as Disclosure Counsel to the City. Lofton & Jennings, San Francisco, California, is acting as Underwriter's Counsel. Urban Futures Inc., Orange, California, is acting as Financial Advisor to the City. NBS Government Services, Temecula, California (the "Reassessment Engineer") will provide reassessment consulting services to the City and will provide the Reassessment Engineer's Report attached hereto as APPENDIX C.

Bond Counsel, Disclosure Counsel, Underwriter's Counsel, Financial Advisor, the Reassessment Engineer and the Fiscal Agent will receive compensation from the City contingent upon the sale and delivery of the Bonds.

Other Information

This Official Statement speaks only as of its date, and the information contained herein is subject to change. Unless the context clearly requires otherwise, capitalized terms not otherwise defined herein shall have the meanings set forth in the Fiscal Agent Agreement.

Brief descriptions of the Bonds and the Fiscal Agent Agreement are included in this Official Statement. Such descriptions and information do not purport to be comprehensive or definitive. All references herein to the Fiscal Agent Agreement, the Bonds and the laws of the State as well as the proceedings of the City are qualified in their entirety by reference to such documents, laws and proceedings, and with respect to the Bonds, by reference to the form thereof included in the Fiscal Agent Agreement.

Copies of the Fiscal Agent Agreement, and the resolutions and other documents described or referred to herein may be obtained from the City. The City's address for such purpose is: City of Oakland, 150 Frank H. Ogawa Plaza, Suite 5330, Oakland, California 94612, Attention: Treasurer. The City may charge for duplication and mailing in response to requests for documents.

PLAN OF REFUNDING

A portion of the proceeds from the sale of the Bonds, together with other available moneys relating to the Refunded Bonds, will be deposited into the Escrow Fund held by the Escrow Agent under the Escrow Agreement to provide monies for the purpose of (i) paying principal of and interest on the Refunded Bonds through September 2, 2012 and (ii) on September 2, 2012 (the "Redemption Date"), redeeming all of the Outstanding Prior City Bonds maturing after September 2, 2012, at the redemption prices set forth in the fiscal agent agreement relating to the Prior City Bonds (the "Prior City Bonds Fiscal Agent Agreement") and redeeming all of the Outstanding Authority Reassessment Bonds maturing after September 2, 2012, at the redemption prices set forth in the trust agreement relating to the Authority Reassessment Bonds (the "Authority Reassessment Bonds Indenture"). As a result of the payment and redemption of the Prior City Bonds, and concurrently therewith, all of the outstanding Authority Reassessment Bonds will be redeemed.

The Escrow Fund will be gross funded, meaning that, proceeds and other monies deposited by the City in the Escrow Fund will not be invested and will be sufficient to pay and redeem the Refunded Bonds, at the redemption prices, on the Redemption Date, as described in the previous paragraph. The sufficiency of the deposits in the Escrow Fund for those purposes will be verified by Causey Demgen & Moore P.C., the verification agent. See "VERIFICATION OF MATHEMATICAL ACCURACY" below.

Upon such irrevocable deposit with the Escrow Agent and in accordance with the Escrow Agreement, the Prior City Bonds will be legally defeased and will no longer be entitled to the benefits of, or be secured by, the Prior City Bonds Fiscal Agent Agreement, and the Authority Reassessment Bonds will be legally defeased and no longer entitled to the benefits of, or secured by, the Authority Reassessment Bonds Indenture.

The moneys held by the Escrow Agent in the Escrow Fund are pledged solely to the payment of the Refunded Bonds and will not be available for the payment of the Bonds.

In connection with the refunding, certain moneys related to the Refunded Bonds will fund the Reserve Fund for the Bonds and certain other such moneys will remain available for improvements benefitting the Reassessment District or the City. See "ESTIMATED SOURCES AND USES OF FUNDS."

THE BONDS

General Provisions

The Bonds will be dated as of their date of issuance, and will be issued in the aggregate principal amount set forth on the inside cover hereof. The Bonds will bear interest from their dated date at the rates per annum set forth on the inside cover page hereof, payable semiannually on each March 2 and September 2, commencing March 2, 2013 (each, an "Interest Payment Date"), and will mature in the amounts and on the dates set forth on the inside cover page hereof. The Bonds will be issued in fully registered form in denominations of \$5,000 each or any integral multiple thereof.

The Bonds will be issued as fully registered bonds, registered in the name of Cede & Co. as nominee of DTC, and will be available to actual purchasers of the Bonds (the "Beneficial Owners") in the denominations set forth above, under the book-entry system maintained by DTC, only through brokers and dealers who are or act through DTC Participants as described in this Official Statement. Beneficial Owners will not be entitled to receive physical delivery of the Bonds. See "THE BONDS – Book-Entry Only System" and APPENDIX F – "DTC AND THE BOOK-ENTRY ONLY SYSTEM." In the event that the book-entry-only system is no longer used with respect to the Bonds, the Bonds will be registered and transferred in accordance with the Fiscal Agent Agreement. See APPENDIX B – "SUMMARY OF THE FISCAL AGENT AGREEMENT."

Principal of and premium, if any, on the Bonds are payable in lawful money of the United States of America upon surrender of the Bonds at the principal corporate trust office of the Fiscal Agent. Interest on the Bonds (including the final interest payment upon maturity or early redemption) is payable by check of the Fiscal Agent mailed by first class mail on an Interest Payment Date to the registered Owner(s) as shown on the Fiscal Agent's books as of the fifteenth day of the calendar month immediately preceding the applicable interest payment date (the "Record Date"), or by wire transfer made on such Interest Payment Date upon written instructions of any Owner of \$1,000,000 or more in aggregate principal amount of Bonds delivered to the Fiscal Agent prior to the applicable Record Date.

Authority for Issuance

The Bonds are issued pursuant to the Bond Law, the Improvement Bond Act of 1915 (the "1915 Act"), the Resolution of Issuance and the Fiscal Agent Agreement. The Bonds are issued upon and primarily secured by Reassessments. In connection with the issuance of the Bonds and approval of the Reassessments, a Notice of Reassessment will be recorded in the real property records of the County.

The Bonds are issued pursuant to particular provisions of the Bond Law, which permit the authorization, issuance and sale of the Bonds without public hearing if three conditions are satisfied. The three conditions are summarized as follows:

- (a) Each estimated annual installment of principal and interest on the Reassessment is less than the corresponding annual installment of principal and interest on the portion of the original assessment being superseded and supplanted by the same percentage for all Reassessment Parcels;
- (b) The number of years to maturity of all the Bonds is not more than the number of years to the last maturity of the Prior City Bonds; and
- (c) The principal amount of the Reassessment on each Reassessment Parcel is less than the unpaid principal amount of the portion of the original assessment being superseded and supplanted by the same percentage for each Reassessment Parcel.

The Oakland City Council has made a finding that the three conditions are satisfied.

Redemption

Redemption as a Result of Prepayment of Reassessments by Property Owners. As a result of the prepayment of Reassessments by property owners, the Bonds may be redeemed and paid in advance of maturity from amounts deposited in the Prepayment Account of the Redemption Fund. The redemption may be in whole or in part, on any Interest Payment Date in any year, following at least 30 days' notice to the Owners of the Bonds to be redeemed. The City will pay the principal amount of the Bonds to be redeemed, plus interest to the date of redemption, unless sooner surrendered, in which event said interest will be paid to the date of payment, together with a redemption premium, expressed as a percentage of the principal amount of Bonds being redeemed, as follows:

<u>Redemption Dates</u>	<u>Redemption Premium</u>
Any Interest Payment	
Date to and including September 2, 2022	1%
March 2, 2023 and any Interest Payment

The provisions of Part 11.1 of the Bond Law are applicable to the advance payment of Reassessments and to the redemption of the Bonds.

No Optional Redemption. The Bonds are not subject to optional redemption prior to maturity.

Redemption Notice. So long as Cede & Co. is the registered owner of the Bonds, notice of redemption will be sent to DTC, as nominee of Cede & Co., and not directly to the Owners. See APPENDIX F – “DTC AND THE BOOK-ENTRY SYSTEM” with respect to DTC procedures regarding notice of redemption. The Fiscal Agent will cause notice of any redemption to be given by registered or certified mail or by personal service to the respective registered Owners of any Bonds designated for redemption, at their addresses appearing on the Bond Register in the Principal Office of the Fiscal Agent at least 30 days before the applicable Interest Payment Date. The Fiscal Agent will also cause notice of redemption to be sent to the Securities Depositories at least one day earlier than the giving of notice to the Owners as aforesaid; provided, however, such mailing to the Securities Depositories will not be a condition precedent to such redemption. Failure to so mail any notice of redemption, or of any person or entity to receive any such notice, or any defect in any notice of redemption, will not affect the validity of the proceeding for the redemption of such Bonds.

The redemption notice will state the redemption date and the redemption price and will require that such Bonds be then surrendered at the Principal Office of the Fiscal Agent for redemption at the said redemption price, and will further state that interest on such Bonds, or the portion thereof to be redeemed, will not accrue from and after the redemption date. If less than all of the then Outstanding Bonds are to be called for redemption, then such notice will also designate the CUSIP numbers and Bond numbers of the Bonds to be redeemed by giving the individual CUSIP number and Bond number of each Bond to be redeemed or will state that all Bonds between two stated Bond numbers, both inclusive, are to be redeemed or that all of the Bonds of one or more maturities have been called for redemption, will state as to any Bond called in part the principal amount thereof to be redeemed.

Partial Redemption. Upon surrender of Bonds redeemed in part only, the City will execute and the Fiscal Agent will authenticate and deliver to the registered Owner, at the expense of the City, a new Bond or Bonds, of the same series and maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Bond or Bonds.

Selection of Bonds for Redemption. The Fiscal Agent will select Bonds for redemption in such a way that the ratio of Outstanding Bonds to issued Bonds will be approximately the same in each annual series insofar as possible. Within each annual maturity, the Fiscal Agent will select Bonds for retirement by lot.

Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the principal of, and interest and any premium on, the Bonds so called for redemption will have been deposited in the Redemption Fund on the date fixed for redemption, such Bonds so called will cease to be entitled to any benefit under the Fiscal Agent Agreement other than the right to receive

payment of the redemption price, and no interest will accrue thereon on or after the redemption date specified in such notice.

Book-Entry Only System

While the Bonds are subject to the book-entry system, the principal, interest and any redemption premium with respect to a Bond will be paid by the Fiscal Agent to DTC, which in turn is obligated to remit such payment to its DTC Participants for subsequent disbursement to Beneficial Owners of the Bonds, as described in APPENDIX F – “DTC AND THE BOOK-ENTRY ONLY SYSTEM.”

SECURITY FOR THE BONDS

General

The Bonds are secured by a first pledge under the Fiscal Agent Agreement of all of the Reassessments and all moneys deposited in the Redemption Fund (including the Prepayment Account therein) and the Reserve Fund. The Reassessments and all moneys deposited into said funds (except as otherwise provided in the Fiscal Agent Agreement) are dedicated to the payment of the principal of, and interest and any premium on, the Bonds as provided in the Fiscal Agent Agreement and in the Bond Law until all of the Bonds have been paid and retired or until moneys or Defeasance Securities have been set aside irrevocably for that purpose in accordance with the Fiscal Agent Agreement.

Although the Reassessments constitute fixed liens on the Reassessment Parcels, they do not constitute a personal indebtedness of the owners of the Reassessment Parcels and the owners of the Reassessment Parcels have made no commitment to pay the principal of or interest on the Bonds or to support payment of the Bonds in any manner. In the event of delinquency, proceedings may be conducted only against the real property securing the delinquent Reassessment. See “–Covenant to Commence Foreclosure Proceedings” below. Unpaid Reassessments are not required to be paid upon sale of property. There is no assurance the property owners will be able to pay the Reassessment installments or that they will pay the Reassessments even though financially able to do so. See “BONDOWNERS’ RISKS.”

The Reassessments will be collected in annual installments, together with interest on the declining balances, at the same time and same manner that general taxes on real property are collected, and become delinquent at the same time and in the same proportionate amounts and bear the same proportionate penalties and interest after delinquency as do general taxes. The annual Reassessment installments together with interest are to be paid into the Redemption Fund, which will be used to pay the principal of and interest on the Bonds as they become due.

The Reassessments may be prepaid in whole or in part at any time by the property owners in the Reassessment District. Any such prepayment will result in the redemption of the Bonds prior to maturity. See “THE BONDS – Redemption.” **If only Reassessments on parcels with high value to lien ratios are prepaid, the credit quality of the Bonds that remain outstanding and are secured by unpaid Reassessments on parcels with lower value to lien ratios could deteriorate. See “BONDOWNERS’ RISKS” herein.**

Limited Obligation; No Required Advances from Available Surplus Funds

The Bonds are limited obligation improvements bonds under the Bond Law. Notwithstanding any other provision of the Fiscal Agent Agreement, the City is not obligated to advance available surplus funds from the City treasury to cure any deficiency in the Redemption Fund.

The Bonds are not an obligation of the City (except to the limited extent set forth in the Fiscal Agent Agreement), the State or any of its political subdivisions, and neither the faith and credit nor the general taxing power of the City, the State of California or any political subdivision thereof is pledged to the payment of the Bonds.

Establishment of Funds and Accounts

For administering the proceeds of the sale of Bonds and payment of interest and principal on the Bonds, the following funds and accounts will be established pursuant to the Fiscal Agent Agreement:

Redemption Fund. The Fiscal Agent is directed in the Fiscal Agent Agreement to maintain the Redemption Fund, into which shall be placed amounts received from the collection of the Reassessments. Within the Redemption Fund, the Fiscal Agent shall establish the Prepayment Account into which shall be placed the proceeds of the prepayment of any Reassessment and which Prepayment Account shall be administered in accordance with the provisions of Section 8767 of the Bond Law and the Fiscal Agent Agreement. The City shall transfer or cause to be transferred to the Fiscal Agent for deposit to the Redemption Fund all sums received from the collection of the Reassessments and any interest thereon and all sums received for the partial or full prepayment of Reassessments as required by Section 8767.

Principal of, redemption premium, if any, and interest on, the Bonds will be paid by the Fiscal Agent from amounts on deposit in the Redemption Fund. Under no circumstances will the Bonds or interest thereon be paid out of any fund except for the Redemption Fund.

Reserve Fund. The Fiscal Agent will establish and maintain a fund under the Fiscal Agent Agreement designated as the Reserve Fund. The Reserve Fund shall be initially funded in the amount of \$354,500, which is equal to the initial Reserve Requirement. "Reserve Requirement" is defined in the Fiscal Agent Agreement as the least of (i) Maximum Annual Debt Service of the Bonds as of the Closing Date; (ii) 125% of the average annual Debt Service on the Bonds as of the Closing Date; or (iii) 10% of the then outstanding principal amount of the Bonds. The Fiscal Agent will also deposit in the Reserve Fund amounts transferred to the Fiscal Agent from the City from the redemption or sale of properties with respect to which payment of delinquent Reassessments and interest thereon was made from the Reserve Fund.

Except as otherwise provided in the Fiscal Agent Agreement, all amounts deposited in the Reserve Fund shall be used and withdrawn by the Fiscal Agent solely for the purpose of making transfers to the Redemption Fund in the event of any deficiency at any time in the Redemption Fund of the amount then required for payment of the principal of and interest, and any premium, on the Bonds or, in accordance with the provisions of the Fiscal Agent Agreement, for the purpose of redeeming Bonds from the Redemption Fund.

Whenever, after the issuance of the Bonds, a Reassessment is paid, in whole or part, as provided in the Bond Law, the Fiscal Agent, at the written direction of the City, shall transfer from the Reserve Fund to the Redemption Fund an amount specified in such direction equal to the product of the ratio of

the original amount of the Reassessment securing any Bonds so paid to the original amount of all Reassessments securing any Bonds, times the initial Reserve Requirement.

Whenever, on any Interest Payment Date, or on any other date as determined by the Fiscal Agent, the amount in the Reserve Fund exceeds the then applicable Reserve Requirement, the Fiscal Agent shall, except as otherwise provided in the Fiscal Agent Agreement for purposes of rebate, transfer on or before such Interest Payment Date an amount equal to the excess from the Reserve Fund to the Redemption Fund to be used by the City in accordance with the Bond Law.

Investments

Moneys held in any fund or account established under the Fiscal Agent Agreement will be invested at the written direction of the Treasurer of the City only in Permitted Investments, as defined in the Fiscal Agent Agreement. Obligations purchased as investments of monies in any of the funds in which investments are authorized are at all times part of such funds.

Priority of Lien

Each Reassessment and each installment thereof, and any interest and penalties thereon, constitute a lien against each parcel on which it was imposed until the same is paid. Such lien is subordinate to all fixed special assessment liens imposed upon the same property prior to the date that the Reassessments became a lien on the property assessed (which is the same date the original assessments for the Prior Assessment Districts, as applicable, became a lien), but has priority over all private liens, including the lien of any mortgage or deed of trust, and over all fixed special assessment liens that may thereafter be created against the property. Such lien is co-equal to and independent of the lien for general property taxes and liens previously or subsequently imposed pursuant to the Mello-Roos Community Facilities Act of 1982. See also, "THE REASSESSMENT DISTRICT—Direct and Overlapping Bonded Debt" and "BONDOWNERS' RISKS—Parity Taxes and Special Assessments" herein.

Covenant to Commence Foreclosure Proceedings

The Bond Law provides that in the event any Reassessment or installment thereof or any interest thereon is not paid when due, the City may order the institution of a court action to foreclose the lien of the unpaid Reassessment. In such an action, the real property subject to the unpaid Reassessment may be sold at judicial foreclosure sale. This foreclosure sale procedure is not mandatory. However, in the Fiscal Agent Agreement, the City has covenanted with the Owners that the City will order and cause to be commenced, and thereafter diligently prosecute, an action in the superior court to foreclose the lien of any Reassessment or installment thereof which has been billed, but has not been paid, as described below.

The following conditions will apply to the foreclosure proceedings, which must be commenced within sixty (60) days of the making of any of the following determinations, which determinations will be made not later than October 1 of each Fiscal Year, provided that the City may undertake foreclosure proceedings sooner than specified below:

(a) If the Treasurer determines that any single Reassessment Parcel is delinquent in the payment of six or more Reassessment installments, foreclosure shall be commenced against each such parcel of land.

(b) If the Treasurer determines that the total amount of delinquent Reassessments for the prior Fiscal Year for the entire Reassessment District exceeds five percent (5%) of the total Reassessments due and payable in the prior Fiscal Year, foreclosure shall be commenced against each

Reassessment Parcel with delinquent Reassessments of \$1,000 or more for the prior Fiscal Year or prior Fiscal Years.

THE REASSESSMENT DISTRICT

General

The Reassessment District is primarily a residential area, in which the predominant land use is single-family detached housing. The topography of the Reassessment District is hilly, rising toward the City's northeast border and facing the San Francisco Bay and the City of San Francisco. The Reassessment District was formed in 1999 and is a consolidation of the Fire Area Utility Underground Assessment District No. 1994-1 (the "1994-1 Assessment District") and Assessment District No. 1994-2 (Rockridge Area Water Improvements) (the "1994-2 Assessment District" and together with the 1994-1 Assessment District, the "Prior Assessment Districts"). The Reassessment District consists of 3,376 parcels, of which 2,587 have been reassessed and have unpaid Reassessments and, consequently, constitute "Reassessment Parcels" as used in this Official Statement.

The area within the 1994-1 Assessment District suffered severe damage by fire in late October 1991 which destroyed over 1,600 acres of residential real estate. The 1994-1 Assessment District was formed to finance a portion of the costs of the construction and installation of underground electric, telephone and cable television public utility lines and certain related street improvements which were destroyed by the fire.

A portion of the area within the 1994-2 Assessment District also suffered severe damage in the October 1991 fire. The 1994-2 Assessment District was formed to finance a portion of the costs of the acquisition and installation of certain water improvements, utility pipelines, fire hydrants and related street improvements in upgrade the water system to provide increased fire flow and provide domestic water service within the 1994-2 Assessment District.

The Prior City Bonds were issued to refund limited obligation debt issued by the City in 1994 (the “1994 Bonds”) to finance public improvements to the Prior Assessment Districts. The public improvements financed by the 1994 Bonds have all been constructed or acquired and installed in the Reassessment District.

Public property within the Reassessment District is not assessed. Two assessed Reassessment Parcels are utility properties and comprise approximately 0.08% of the Reassessment District’s total parcels.

The following is a map generally identifying the area in which the Reassessment District is located.

(Remainder of page left intentionally blank.)

Methods of Assessment and Reassessment Spread

The Reassessments levied in the Reassessment District were spread on the basis of special benefits received by the assessed parcels from the improvements constructed, as initially recommended by the Reassessment Engineer and as finally approved by the City Council. The Reassessments are spread in amounts exactly proportional to the respective outstanding Reassessments securing the Prior City Bonds.

Assessed Valuation of the Reassessment District

The City has not commissioned an appraisal of the taxable property in the Reassessment District in connection with the issuance of the Bonds. Therefore, the valuation of the taxable property in the Reassessment District set forth in this Official Statement are the Alameda County Assessor's values. Assessed valuations are reported at 100% of the full value of the property, as defined in Article XIII A of the California Constitution. Article XIII A of the California Constitution defines "full cash value" as the appraised value as of March 1, 1975, plus adjustments not to exceed 2% per year to reflect inflation, and requires assessment of "full cash value" upon change of ownership or new construction.

As of January 1, 2012, the aggregate assessed value of all land and improvements constituting the Reassessment Parcels was \$1,630,135,506. This valuation is based upon assessed valuation rather than appraised value or other measure of market value and is net of the homeowner's exemption. This amount therefore, may not be representative of the actual market value of such real property and improvements. The assessed values set forth for any real property and improvements do not account for any assessed value determinations based on changes in ownership or improvements to real property occurring after January 1, 2012. See also "BONDOWNERS' RISKS-General."

Economic and other factors beyond the property owners' control, such as economic recession, deflation of land values, financial difficulty or bankruptcy by one or more property owners, or the complete or partial destruction of a Reassessment Parcel caused by, among other possibilities, earthquake, fire, adverse weather conditions or other natural disaster, could cause a reduction in the assessed value within the Reassessment District. See "BONDOWNERS' RISKS – Land Values."

Property Ownership. Almost all of the Reassessment Parcels are zoned for single-family residential use. Most of the residential Reassessment Parcels are improved with single-family homes, except two hundred seventy-one (271) residential parcels. In addition, there are three (3) commercial parcels and two (2) utility parcels. Most of the Reassessment Parcels are owned by individual homeowners.

Value-to-Lien Ratio

District-Wide Value-to-Lien Ratio. Based on an anticipated aggregate Reassessment of \$3,545,000.00, and a fiscal year 2012-13 assessed value of \$1,630,135,506, the value-to-lien ratio for the property in the Reassessment District subject to the Reassessment is approximately 460:1. The following Table 2 shows the value-to-lien distribution in the Reassessment District based on fiscal year 2012-13 assessed values.

The Reassessment Bonds are not subject to overlapping assessment or Mello-Roos special tax liens; see "TABLE 5."

Fiscal Year 2011-12 Installments. As of June 30, 2012, there were 92 Reassessment Parcels delinquent in the payment of fiscal year 2011-12 Reassessment installments. Of the 92 Reassessment Parcels delinquent in the payment of fiscal year 2011-12 Reassessment installments, 60 are developed with single-family homes. Currently, the developed parcels collectively have a fiscal year 2012-13 assessed value of \$44,415,007 and value-to-lien ratios ranging from 24.13:1 to 4,236.71:1.

Foreclosure Proceedings. The City has initiated foreclosure proceedings with respect to 16 Reassessment Parcels as a result of delinquent Reassessment installments for prior fiscal years: 14 unimproved parcels and two improved parcels. As of June 30, 2012, 11 of the unimproved Reassessment Parcels were also delinquent in the payment of fiscal year 2011-12 Reassessment installments. The 16 Reassessment Parcels have a fiscal year 2012-13 assessed value of \$2,995,008 and an aggregate value-to-lien ratio of 114.01.

Direct and Overlapping Bonded Debt

Contained within the boundaries of the Reassessment District are certain overlapping local agencies providing public services and assessing property taxes, assessments, special taxes and other charges on the property in the Reassessment District. Many of these local agencies have outstanding debt.

The current and estimated direct and overlapping bond obligations affecting the property in the Reassessment District are shown in the following table.

The table was prepared by California Municipal Statistics, Inc., and is included for general information purposes only. The City has not reviewed this report for completeness or accuracy and makes no representation in connection therewith.

BONDOWNERS' RISKS

The following information should be considered by prospective investors in evaluating the investment quality of the Bonds. The information below, however, does not purport to be an exhaustive listing of risks and other considerations that may be relevant to a decision to invest in the Bonds. Furthermore, the order in which the following information is presented is not intended to reflect the relative importance of any such risks.

General

Under the provisions of the Bond Law, Reassessment installments, from which funds for the payment of annual installments of principal of and interest on the Bonds are derived, will be billed to properties against which there are unpaid Reassessments on the regular ad valorem property tax bills sent to owners of such properties. Such Reassessment installments are due and payable at the same times, and bear the same penalties and interest for non-payment as do regular property tax installments. A property owner cannot pay the County tax collector less than the full amount due on the tax bill; however it is possible to pay Reassessment installments directly to the City in satisfaction of the obligation to pay that Reassessment without paying property taxes also then due. It should be noted that the unwillingness or inability of a property owner to pay regular property tax bills as evidenced by property tax delinquencies may also indicate an unwillingness or inability to make regular property tax payments and Reassessment installment payments in the future. In the event the owners of a Reassessment Parcel experience a decline in income or an increase in mortgage interest rates, or both, they may be less able or willing to pay their Reassessment installments when due.

Unpaid Reassessments do not constitute a personal indebtedness of the owners of the Reassessment Parcels and the owners have made no commitment to pay the principal of or interest on the Bonds or to support payment of the Bonds in any manner. Accordingly, in the event of delinquency, proceedings may be conducted only against the real property securing the delinquent Reassessment. Thus, the value of the real property within the Reassessment District is a critical factor in determining the investment quality of the Bonds. Several of the Reassessment Parcels in the Reassessment District with unpaid Reassessments are undeveloped, and have assessed value-to-lien ratios of approximately 1:1 or less. See APPENDIX C – “REASSESSMENT ENGINEER’S REPORT.” There is no assurance any owner will be able to pay the Reassessment installments or that they will pay such installments even though financially able to do so.

In order to pay debt service on the Bonds, it is necessary that unpaid Reassessment installments on Reassessment Parcels are paid in a timely manner. Should the Reassessment installments not be paid on time, the City has established a Reserve Fund to cover delinquencies. The Reassessments are secured by a lien on the Reassessment Parcels and the City has covenanted to institute foreclosure proceedings to sell parcels with delinquent Reassessment installments for amounts sufficient to cover such delinquent installments in order to obtain funds to pay debt service on the Bonds.

Failure by any owner of a Reassessment Parcel to pay Reassessment installments when due, depletion of the Reserve Fund, delay in foreclosure proceedings, or the inability of the City to sell parcels which have been subject to foreclosure proceedings for amounts sufficient to cover the delinquent Reassessment installments levied against such parcels may result in the inability of the City to make full or punctual payment of debt service on the Bonds and Bondowners would therefore be adversely affected.

Collection of the Reassessments

The Reassessment installments are to be collected in the same manner as ordinary ad valorem real property taxes are collected and, except as provided in the special covenant for foreclosure in the Fiscal Agent Agreement (which effectively requires the City to commence foreclosure against certain delinquent

Reassessment Parcels in limited circumstances, see “SECURITY FOR THE BONDS – Covenant to Commence Foreclosure Proceedings”), will be subject to the same penalties and the same procedure, sale and lien priority in case of delinquency as is provided for ad valorem real property taxes. Pursuant to these procedures, if taxes are unpaid for a period of five years or more, the property may be deeded to the State and then is subject to sale by the County.

The Reassessments, and other special assessment or special taxes levied for community facilities districts, are billed and collected by the County on the same tax bill and property owners do not have the right to selectively pay any one assessment or tax. However, prior to the actual foreclosure of the lien of the Reassessments, the City may be able to collect the delinquent Reassessments directly from the property owner without the County receiving the other amounts due. In such event, liens for ad valorem property taxes and other assessments or special taxes could remain on the subject property, which would reduce its value. See “BONDOWNERS’ RISKS – Foreclosure.”

Risks Associated with Real Estate Secured Investments

Owners of the Bonds will be subject to the risks generally incident to an investment secured by real estate, including, without limitation, (a) adverse changes in local market conditions, such as changes in the market value of real property in and in the vicinity of the Reassessment District, the supply of or demand for competitive properties in such area, and the market value of property or buildings and/or sites in the event of sale or foreclosure; (b) changes in real estate tax rate and other operating expenses, governmental rules (including, without limitation, zoning laws and laws relating to endangered species and hazardous materials) and fiscal policies; and (c) natural disasters (including, without limitation, earthquakes, fire and adverse weather conditions), which may result in uninsured losses.

Availability of Funds to Pay Delinquent Reassessment Installments

Upon receipt of the proceeds from the sale of the Bonds, the City will initially establish the Reserve Fund in the amount of the “Reserve Requirement.” The monies in the Reserve Fund constitute a trust fund for the benefit of the Owners of the Bonds, will be held by the Fiscal Agent and administered by the Fiscal Agent in accordance with and pursuant to the provisions of the Fiscal Agent Agreement. If a deficiency occurs in the Redemption Fund for payment of interest on or principal of the Bonds, the Fiscal Agent will transfer into the Redemption Fund an amount out of the Reserve Fund needed to pay debt service on the Bonds, if available. There is no assurance that the balance in the Reserve Fund will always be adequate to pay the debt service on the Bond in the event of delinquent Reassessment installments.

If, during the period of delinquency, there are insufficient funds in the Reserve Fund to pay the principal of and interest on the Bonds as they become due, a delay may occur in payments of principal and/or interest to the owners of the Bonds.

Owner Not Obligated to Pay Bonds or Reassessments

Unpaid Reassessments do not constitute a personal indebtedness of the owners of Reassessment Parcels and the property owners have made no commitment to pay the principal of or interest on the Bonds or to support payment of the Bonds in any manner. There is no assurance that the property owners have the ability to pay the Reassessment installments or that, even if they have the ability, they will choose to pay such installments. An owner may elect to not pay the Reassessments when due and cannot be legally compelled to do so. If an owner decides it is not economically feasible to develop or to continue owning its property encumbered by the lien of the Reassessment, or decides that for any other reason it does not want to retain title to the property, such owner may choose not to pay Reassessments and to allow the property to be foreclosed. Such a choice may be made due to a decrease in the market value of the property. A foreclosure of the property will result in such owner’s interest in the property being transferred to another party. Neither the City nor any Bondholder will have the ability at any time to

seek payment directly from any owner of property within the Reassessment District of any Reassessment or any principal or interest due on the Bonds, or the ability to control who becomes a subsequent owner of any property within the Reassessment District.

Land Values

The value of property in the Reassessment District is a critical factor in determining the investment quality of the Bonds. If a property owner defaults in the payment of the Reassessments, the City's only remedy is to foreclose on the delinquent property in an attempt to obtain funds with which to pay the delinquent Reassessments. Several of the Reassessment Parcels with unpaid Reassessments are undeveloped, and have assessed value-to-lien ratios of approximately 1:1 or less. See APPENDIX C – "REASSESSMENT ENGINEER'S REPORT." Land values could be adversely affected by economic factors beyond the City's control, such as relocation of employers out of the area, stricter land use regulations, the absence of water, or destruction of property caused by, among other eventualities, earthquake, fire, adverse weather conditions or other natural disaster, or by environmental pollution or contamination.

Parity Taxes and Special Assessments

The ability or willingness of a property owner in the Reassessment District to pay the Reassessments could be affected by the existence of other taxes and assessments imposed upon the property. The Reassessments and any penalties thereon constitute a lien against the lots and parcels of land on which they have been levied until they are paid. Such lien is on a parity with all special taxes levied by other agencies regardless of when they are imposed on the same property, and is co-equal to and independent of the lien for general property taxes. The Reassessments are subordinate to pre-existing assessment liens and senior to assessment liens created in the future. The Reassessments have priority over all existing and future private liens imposed on the property. In addition, other public agencies whose boundaries overlap those of the Reassessment District could, with or in some circumstances without the consent of the owners of the land in the Reassessment District, impose additional taxes or assessment liens on the property in the Reassessment District in order to finance public improvements to be located inside or outside of the Reassessment District.

The City, however, has no control over the ability of other entities and districts to issue indebtedness secured by special taxes or assessments payable from all or a portion of the property in the Reassessment District. In addition, the City is not prohibited itself from establishing assessment districts, community facilities districts or other districts which might impose assessments or taxes against property in the Reassessment District. The imposition of additional liens could reduce the ability or willingness of the owners of Reassessment Parcels to pay the Reassessments and, if the additional liens are on a parity with the Reassessment, increases the possibility that foreclosure proceeds will not be adequate to pay delinquent Reassessments or the principal of and interest on the Bonds when due. See "THE REASSESSMENT DISTRICT – Direct and Overlapping Bonded Debt."

Foreclosure

The City has covenanted for the benefit of the owners of the Bonds that the City will commence foreclosure upon the occurrence of a delinquency in the limited circumstances described in the Fiscal Agent Agreement, and will diligently prosecute and pursue such foreclosure proceedings to judgment and sale, all as provided in the Fiscal Agent Agreement. See “SECURITY FOR THE BONDS – Covenant to Commence Foreclosure Proceedings.”

Foreclosure proceedings are instituted by the bringing of an action in the superior court of the county in which the Reassessment Parcel lies, naming the owner and other interested persons as defendants. The action is prosecuted in the same manner as other civil actions. The prosecution of a foreclosure action could be delayed due to crowded local court calendars or delays in the legal process. Upon judgment of foreclosure, under certain circumstances, the Reassessment Parcel may be offered for sale at a Minimum Price. “Minimum Price” is the amount equal to the delinquent installments of principal or interest of the assessment or reassessment, together with all interest penalties, costs, fees, charges and other amounts more fully detailed in the Bond Law. The court may authorize a sale at less than the Minimum Price if the court determines that sale at less than Minimum Price will not result in an ultimate loss to the Bondowners or, under certain circumstances, if owners of 75% or more of the outstanding Bonds consent to such sale.

The Reassessment lien upon property sold pursuant to this procedure at a lesser price than the Minimum Price will be reduced by the difference between the Minimum Price and the sale price. In addition, the court shall permit participation by the Bondowners in its consideration of the petition as necessary to its determinations. Implementation of the above-described Minimum Price provision by the court upon foreclosure could result in nonpayment of the full principal and interest due on the Bonds.

In the event that sales or foreclosure of property are necessary, there can be no assurance that foreclosure proceedings will occur in a timely manner. There could be a delay in payments to holders of the Bonds, pending such sales or the prosecution of foreclosure proceedings and the receipt by the City of the proceeds of sale, if the other sources of payment for the Bonds, as set forth in the Fiscal Agent Agreement, are depleted.

Bankruptcy

The payment of the Reassessments and the ability of the City to foreclose the lien of a delinquent unpaid Reassessment, as discussed in “SECURITY FOR THE BONDS—Covenant to Commence Foreclosure Proceedings,” may be limited by bankruptcy, insolvency or other laws generally affecting creditors’ rights or by the laws of the State of California relating to judicial foreclosure.

Regardless of the priority of the Reassessments over non-governmental liens, the exercise by the City of the foreclosure and sale remedy or by the County of the tax sale remedy may be forestalled or delayed by bankruptcy, reorganization, insolvency or other similar proceedings affecting the owner of a Reassessment Parcel. The federal bankruptcy laws provide for an automatic stay of foreclosure and sale or tax sale proceedings thereby delaying such proceedings perhaps for an extended period. Delay in exercise of remedies, especially if the owner owns a parcel the Reassessments on which are significant or if bankruptcy proceedings are instituted with respect to a number of owners owning parcels the Reassessments on which are significant, may result in periodic Reassessment installment collections which, even in conjunction with the Reserve Fund, may be insufficient to pay the debt service on the Bonds as it comes due. Further, should remedies be exercised under the bankruptcy law against such parcels, payment of installments of the Reassessments may be subordinated to bankruptcy law priorities. Therefore, certain claims may have priority over the Reassessment lien, even though they would not were the bankruptcy law not applicable.

Any prohibition of the enforcement of the Reassessment lien or any such non-payment or delay could increase the likelihood of a delay or default in payment of the principal of and interest on the Bonds.

Property or Loan owned by Federal Agencies or Instrumentalities

Portions of the property with the Reassessment District may now or in the future secure loans. Any such loan is subordinate to the lien of the Reassessments. However, (a) in the event that any of the financial institutions making any loan that is secured by real property within the Reassessment District is taken over by the Federal Deposit Insurance Corporation (“FDIC”), (b) the FDIC or another federal entity acquires a Reassessment Parcel, (c) the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the United States Department of Housing and Urban Development or similar federal agency or instrumentality has a mortgagee interest in a loan on property subject to an Reassessment lien, or (d) if a lien is imposed on the property by the Drug Enforcement Agency, the Internal Revenue Service or other similar federal governmental agency, and, prior thereto or thereafter, the loan or loans go into default, the ability of the City to collect interest and penalties specified by state law and to foreclose the lien of a delinquent unpaid Reassessment may be limited.

In the event that a property subject to the Reassessment lien is owned by the federal government or a private deed of trust secured by such a property is owned by a federal government entity, the ability to foreclose on the Reassessment Parcel to collect delinquent Reassessment installments may be limited. Federal courts have held that, based on the supremacy clause of the United States Constitution, in the absence of Congressional intent to the contrary, a state or local agency cannot foreclose to collect delinquent taxes or assessments if foreclosure would impair the federal government interest. As a result, if a federal government entity owns a parcel subject to assessments or special taxes (including a reassessment lien), the applicable state or local government cannot foreclose on that parcel. Moreover, if a federal government entity has a mortgage interest on a parcel subject to assessments or special taxes (including a reassessment lien), the property cannot be sold at a foreclosure sale unless it can be sold for an amount sufficient to preserve the federal government mortgage interest. In Rust v Johnson (9th Circuit (1979) 597 F. 2d 174), the United States Court of Appeal, Ninth Circuit, which includes California, held that the Federal National Mortgage Association (“Fannie Mae”) is a federal instrumentality for purposes of this doctrine, and not a private entity; therefore an exercise of state power over a mortgage interest held by Fannie Mae constitutes an exercise of state power over property of the United States in violation of the supremacy clause.

Specifically, with respect to the FDIC, on June 4, 1991, the FDIC issued a Statement of Policy Regarding the Payment of State and Local Real Property Taxes. The 1991 Policy Statement was revised and superseded by a new Policy Statement effective January 9, 1997 (the “Policy Statement”). The Policy Statement provides that real property owned by the FDIC is subject to state and local real property taxes only if those taxes are assessed according to the property’s value, and that the FDIC is immune from real property taxes assessed on any basis other than property value. According to the Policy Statement, the FDIC will pay its proper tax obligations when they become due and payable and will pay claims for delinquent property taxes as promptly as is consistent with sound business practice and the orderly administration of the institution’s affairs, unless abandonment of the FDIC’s interest in the property is appropriate. The FDIC will pay claims for interest on delinquent property taxes owed at the rate provided under state law, to the extent the interest payment obligation is secured by a valid lien. The FDIC will not pay any amounts in the nature of fines or penalties and will not pay nor recognize liens for such amounts. If any property taxes (including interest) on FDIC owned property are secured by a valid lien (in effect before the property became owned by the FDIC), the FDIC will pay those claims. The Policy Statement further provides that no property of the FDIC is subject to levy, attachment, garnishment, foreclosure or sale without the FDIC’s consent. In addition, the FDIC will not permit a lien or security interest held by the FDIC to be eliminated by foreclosure without the FDIC’s consent.

Under the Policy Statement, it is unclear whether the FDIC considers the Reassessments, such as those levied by the City, to be “real property taxes” which they intend to pay.

The City is unable to predict what effect the application of the Policy Statement would have in the event of a delinquency with respect to an Reassessment on a parcel in which the FDIC has an interest, although prohibiting the lien of the FDIC to be foreclosed on at a judicial foreclosure sale would likely reduce the number of or eliminate the persons willing to purchase such a parcel at a foreclosure sale. Owners of the Bonds should assume that the City will be unable to foreclose on any parcel owned by the FDIC. Such an outcome would cause a draw on the Reserve Fund (to the extent funds are then on deposit in the Reserve Fund) and perhaps, ultimately, a default in payment of the Bonds. The City has not undertaken to determine whether the FDIC currently has, or is likely to acquire, any interest in any of the parcels in the Reassessment District, and therefore expresses no view concerning the likelihood that the risks described above will materialize while the Bonds are outstanding.

Limited City Obligation Upon Delinquency

Pursuant to the Bond Law, the City has elected not to be obligated to advance funds from the treasury of the City for the payment of delinquent Reassessment installments. The only obligation of the City with respect to such delinquencies is to transfer amounts available in the Reserve Fund to the Redemption Fund. Thus, the City’s obligation to advance money to pay debt service on the Bonds in the event of delinquent Reassessment installments is limited to the balance in the Reserve Fund. The City has no obligation to replenish the Reserve Fund except to the extent that delinquent Reassessments are paid or proceeds from foreclosure sales are realized. There is no assurance that the balance in the Reserve Fund will always be adequate to pay all delinquent Reassessment installments and, if during the period of delinquency there are insufficient funds in the Reserve Fund, a delay may occur in payments to the owners of the Bonds. Notwithstanding the above, the City may, at its sole option and in its sole discretion, elect to advance available surplus funds of the City to pay for any delinquent property. However, Bondowners should not rely upon the City to advance monies to the Redemption Fund if the Reserve Fund is ever depleted.

Hazardous Materials

While government taxes, assessments and charges are a common claim against the value of an assessed parcel, other less common claims may be relevant. One of the most serious in terms of the potential reduction in the value that may be realized to pay the Reassessment on a Reassessment Parcel is a claim with regard to a hazardous substance. In general, the owners and operators of a Reassessment Parcel may be required by law to remedy conditions of the parcel relating to releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response, Compensation and Liability Act of 1989, sometimes referred to as “CERCLA” or “Superfund Act,” is a well-known one of these laws, but California laws with regard to hazardous substances are also stringent and somewhat similar. Under many of these laws, the owner (or operator) is obligated to remediate hazardous substances on, under or about the property whether or not the owner (or operator) has anything to do with creating or handling the hazardous substance; however, an owner (or operator) who is not at fault may seek recovery of its damages from the actual wrongdoer. The effect, therefore, should any of the Reassessment Parcels be affected by a hazardous substance, may be to reduce the marketability and value of the parcel, because the purchaser, upon becoming an owner, may become obligated to remedy the condition just as is the seller.

The assessed values of the Reassessment Parcels do not take into account the possible reduction in marketability and value of any of the assessed parcels by reason of the possible liability of the owner (or operator) for the remedy of a hazardous substance condition of the parcel.

Natural Hazard Risks

The value of the property in the Reassessment District in the future can be adversely affected by a variety of additional factors, particularly those which may affect infrastructure and other public improvements and private improvements on property and the continued habitability and enjoyment of such private improvements. Such additional factors include, without limitation, geologic conditions such as earthquakes, topographic conditions such as earth movements, landslides and floods and other climatic conditions such as droughts, and fires.

The City is in a seismically active area, located near or on three major active earthquake faults (the Hayward, Calaveras and San Andreas faults). During the past 150 years, the San Francisco Bay Area has experienced several major and numerous minor earthquakes. The largest was the 1906 San Francisco earthquake along the San Andreas Fault, which passes through the San Francisco Peninsula west of Oakland, with an estimated magnitude of 8.3 on the Richter scale. The most recent major earthquake was the October 17, 1989 Loma Prieta Earthquake, also on the San Andreas Fault, with a magnitude of 7.1 on the Richter scale and an epicenter near Santa Cruz, approximately 60 miles south of Oakland. Both the San Francisco and Oakland areas sustained significant damage. The City experienced significant damage to the elevated Cypress freeway and to several buildings within the City, especially unreinforced masonry buildings constructed prior to 1970 and prior to current building code requirements. Much of the damage resulting from the Loma Prieta earthquake was due to soil liquefaction, a phenomenon during which loose, saturated, non-cohesive soils temporarily lose shear strength during ground shaking induced by severe earthquakes.

A substantial portion of the City is built in partially-wooded hillside areas, which are naturally prone to wildfire. In October, 1991 a fire in the Oakland/Berkeley Hills, which includes all of the 1994-1 Assessment District and a portion of the 1994-2 Assessment District, damaged 1,990 acres of forest and residential property, destroying 2,354 homes and 456 apartment units, most of which were in Oakland. The City has established a wildfire prevention assessment district covering portions of the City, which was approved by voters in January 2004, and which finances fire hazard inspections, brush and debris removal, wood chipping and public education.

Loss of Tax Exemption

As discussed in the section herein entitled "TAX MATTERS," interest on the Bonds could become includable in gross income for purposes of federal income taxation, retroactive to the date of issuance of the Bonds, as a result of acts or omissions of the City subsequent to issuance in violation of the City's covenants applicable to the Bonds. Should interest become includable in gross income, the Bonds are not subject to redemption by reason thereof and may remain outstanding.

Limitations on Remedies

Remedies available to the owners of the Bonds may be limited by a variety of factors and may be inadequate to assure the timely payment of principal of and interest on the Bonds or to preserve the tax-exempt status of the Bonds.

Bond Counsel has limited its opinion as to the enforceability of the Bonds and of the Fiscal Agent Agreement to the extent that enforceability may be limited by bankruptcy, insolvency, reorganization, fraudulent conveyance or transfer, moratorium, or other similar laws affecting generally the enforcement of creditors' rights, by equitable principles and by the exercise of judicial discretion. The lack of availability of certain remedies or the limitation of remedies may entail risks of delay, limitation or modification of the rights of the owners of the Bonds.

Secondary Markets and Prices

The Underwriter will not be obligated to repurchase any of the Bonds, and no representation is made concerning the existence of any secondary market for the Bonds. No assurance can be given that any secondary market will develop following the completion of the offering of the Bonds, and no assurance can be given that the initial offering prices for the Bonds will continue for any period of time.

Depletion of Reserve Fund

On the date of issuance and delivery of the Bonds, certain amounts will be deposited in the Reserve Fund. See “SECURITY FOR THE BONDS – Establishment of Funds and Accounts.” Whenever there are insufficient funds in the Redemption Fund to pay the next maturing installment of principal and interest on the Bonds, the amounts necessary to make up the deficiency, to the extent available, will be transferred from the Reserve Fund to the Redemption Fund. Amounts so transferred will be reimbursed to the Reserve Fund from the payments of delinquent installments and from the proceeds of redemption or sale of delinquent Reassessment Parcels.

The Reserve Fund is subject to pro rata reduction if and when the unpaid balance of the Reassessment on a parcel is prepaid. Upon prepayment of a Reassessment in whole, the City is required to reduce the Reserve Fund by a proportional reduction equal to the ratio of the amount initially provided for the funding of the Reserve Fund to the total amount originally assessed. Upon prepayment of a Reassessment in part only, the Reserve Fund is reduced by a proportionate lesser amount. A reduction in the Reserve Fund by prepayment of a Reassessment is a permanent, nonreimbursable reduction, but the amount remaining in the Reserve Fund after a prepayment will bear approximately the same proportionate relationship to outstanding Bonds as would be the case if the prepayment was not made because accumulating Reassessment prepayments will be used to redeem Bonds earlier than their maturity dates.

The Reserve Fund may be invested and, to the extent that investment earnings will not result in the interest on the Bonds becoming subject to federal income taxation, the investment earnings may be deposited in the Reserve Fund thereby increasing the balance up to the Reserve Requirement. Nevertheless, there is no assurance that the amount in the Reserve Fund will, at any particular time, be sufficient to pay debt service on the Bonds or that the Reserve Fund will be fully reimbursed for any amounts expended for debt service.

Voter Initiatives

Under the California Constitution, the power of initiative is reserved to the voters for the purpose of enacting statutes and constitutional amendments. Since 1978, the voters have exercised this power through the adoption of Proposition 13 and similar measures, including Proposition 218, discussed below, which was approved in the general election held on November 5, 1996.

Any such initiative may affect the collection of fees, taxes and other types of revenue by local agencies such as the City. Subject to overriding federal constitutional principles, such collection may be materially and adversely affected by voter-approved initiatives, possibly to the extent of creating cash-flow problems in the payment of outstanding obligations such as the Bonds.

Proposition 218—Voter Approval for Local Government Taxes—Limitation on Fees, Assessments, and Charges—Initiative Constitutional Amendment, added Articles XIII C and XIII D to the California Constitution, imposing certain vote requirements and other limitations on the imposition of new or increased taxes, assessments and property-related fees and charges.

The Reassessments are being levied against Reassessment Parcels after the passage of Proposition 218. However, the City believes that the issuance of the Bonds does not require the conduct of further proceedings under either the Bond Law or Proposition 218 because Senate Bill 919 (effective July 1, 1997) amended the Bond Law to provide: "Any reassessment that is approved and confirmed pursuant to the Bond Law shall not be deemed to be an assessment within the meaning of, and may be ordered without compliance with the procedural requirements of, Article XIII D of the California Constitution."

Like its antecedents, Proposition 218 is likely to undergo both judicial and legislative scrutiny before its impact on the City and its obligations can be determined. Certain provisions of Proposition 218 may be examined by the courts for their constitutionality under both State and federal constitutional law. The City is not able to predict the outcome of any such examination.

The foregoing discussion of Proposition 218 should not be considered an exhaustive or authoritative treatment of the issues. The City does not expect to be in a position to control the consideration or disposition of these issues and cannot predict the timing or outcome of any judicial or legislative activity in this regard. Interim rulings, final decisions, legislative proposals and legislative enactments may all affect the impact of Proposition 218 on the Bonds as well as the market for the Bonds. Legislative and court calendar delays and other factors may prolong any uncertainty regarding the effects of Proposition 218.

No Acceleration Provision

The Bonds do not contain a provision allowing for the acceleration of the unpaid principal of the Bonds in the event of a payment default or other default under the terms of the Bonds or the Fiscal Agent Agreement.

TAX MATTERS

In the opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel, subject, however to the qualifications set forth below, under existing law, the interest on the Bonds is excluded from gross income for federal income tax purposes and such interest is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, provided, however, that, for the purpose of computing the alternative minimum tax imposed on corporations (as defined for federal income tax purposes), such interest is taken into account in determining certain income and earnings.

The opinions set forth in the preceding paragraph are subject to the condition that the City comply with all requirements of the Internal Revenue Code of 1986 (the "Code") that must be satisfied subsequent to the issuance of the Bonds in order that such interest be, or continue to be, excluded from gross income for federal income tax purposes. The City has covenanted to comply with each such requirement. Failure to comply with certain of such requirements may cause the inclusion of such interest in gross income for federal income tax purposes to be retroactive to the date of issuance of the Bonds.

If the initial offering price to the public (excluding Bond houses and brokers) at which a Bond is sold is less than the amount payable at maturity thereof, then such difference constitutes "original issue discount" for purposes of federal income taxes and State of California personal income taxes. If the initial offering price to the public (excluding bond houses and brokers) at which each Bond is sold is greater than the amount payable at maturity thereof, then such difference constitutes "original issue premium" for purposes of federal income taxes and State of California personal income taxes. De minimis original issue discount is disregarded.

Under the Code, original issue discount is treated as interest excluded from federal gross income and exempt from State of California personal income taxes to the extent properly allocable to each owner thereof subject to the limitations described in the first paragraph of this section. The original issue discount accrues over the term to maturity of the Bond on the basis of a constant interest rate compounded on each interest or principal payment date (with straightline interpolations between compounding dates). The amount of original issue discount accruing during each period is added to the adjusted basis of such Bonds to determine taxable gain upon disposition (including sale, redemption, or payment on maturity) of such Bond. The Code contains certain provisions relating to the accrual of original issue discount in the case of purchasers of the Bonds who purchase the Bonds after the initial offering of a substantial amount of such maturity. Owners of such Bonds should consult their own tax advisors with respect to the tax consequences of ownership of Bonds with original issue discount, including the treatment of purchasers who do not purchase in the original offering, the allowance of a deduction for any loss on a sale or other disposition, and the treatment of accrued original issue discount on such Bonds under federal individual and corporate alternative minimum taxes.

Under the Code, original issue premium is amortized on an annual basis over the term of the Bond (such term being the shorter of the Bond's maturity date or its call date). The amount of original issue premium amortized each year reduces the adjusted basis of the owner of the Bond for purposes of determining taxable gain or loss upon disposition. The amount of original issue premium on a Bond is amortized each year over the term to maturity of the Bond on the basis of a constant interest rate compounded on each interest or principal payment date (with straightline interpolations between compounding dates). Amortized Bond premium is not deductible for federal income tax purposes. Owners of Premium Bonds, including purchasers who do not purchase in the original offering, should consult their own tax advisors with respect to State of California personal income tax and federal income tax consequences of owning such Bonds.

In the further opinion of Bond Counsel, interest on the Bonds is exempt from California personal income taxes.

Owners of the Bonds should also be aware that the ownership or disposition of, or the accrual or receipt of interest on, the Bonds may have federal or state tax consequences other than as described above. Bond Counsel expresses no opinion regarding any federal or state tax consequences arising with respect to the Bonds other than as expressly described above.

APPROVAL OF LEGALITY

All proceedings in connection with the issuance of the Bonds are subject to the approval as to their legality of Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel for the City in connection with the Bonds. A copy of the form of Bond Counsel's opinion is contained in APPENDIX D hereto. Bond Counsel's engagement is limited to a review of legal procedures required for the approval of the Bonds and to rendering an opinion as to the validity of the Bonds and the exemption of interest on the Bonds from income taxation. Certain legal matters will be passed upon for the City by the City Attorney and by Curls Bartling P.C., Oakland, California, in its capacity as Disclosure Counsel to the City.

LITIGATION

At the time of delivery of and payment for the Bonds, the City will certify that there is no action, suit, proceeding, litigation or investigation, at law or in equity, before or by any court or governmental entity or body pending or threatened against the City challenging its existence or seeking to restrain or to enjoin the issuance, sale or delivery of the Bonds, the application of the proceeds thereof in accordance with the Fiscal Agent Agreement, or the collection or levy of the Reassessments to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, the Fiscal Agent Agreement, an agreement entered into between the City and the Underwriter (the “Bond Purchase Agreement”) (collectively, the “City Documents”), or any other applicable agreements or any action of the City contemplated by any of said documents or contesting the powers of the City or its authority to perform any of its obligations under any of the City Documents.

The City is involved in certain litigation and disputes relating to its operation, including the litigation and dispute summarized below. Upon the basis of information presently available, the City Attorney believes that (1) there are substantial defenses to such litigation and disputes and (2) with respect to the litigation described under “- *Taylor v. City of Oakland*,” below, any ultimate liability in excess of applicable insurance coverage resulting therefrom will not materially affect the ability of the City to pay debt service on the Bonds.

Taylor v. City of Oakland. A group of federal civil rights cases based on allegations that Oakland Police officers conducted unconstitutional “strip searches” of the 39 plaintiffs in separate unrelated incidents between 2002 and 2007. The parties recently tried 5 cases selected by plaintiffs’ counsel in the United States District Court for the Northern District before the Honorable Marilyn Hall Patel. (Related Case No. C-04-4843-SI). In three of the five cases, the City prevailed. The plaintiffs in the other two cases were awarded a combined total of \$205,000 in compensatory damages and \$832,639 for attorney’s fees. The remaining cases are still pending. The City estimates a combined potential liability in the remaining cases could reach \$15,000,000. However, Reassessment installments are not available to pay any adverse judgment and the City does not expect any such judgment to adversely impact its ability to pay debt service on the Bonds.

Threatened Litigation. The City received an email on July 20, 2012, from a person identifying himself as acting chairman and spokesman for an entity identified as the Oakland Taxpayers Association, which indicated the intention to file a lawsuit against the City seeking nullification of the ordinance and resolution approved by the City authorizing the issuance of its Taxable Pension Obligation Bonds, Series 2012 (“2012 POBs”), and a judicial order to nullify any and all other action by the City or other parties relating to the 2012 POBs. No legal basis for the threatened action was included in the email. Notwithstanding this threat of litigation, bond counsel for the 2012 POBs is providing an unqualified opinion with respect to those 2012 POBs.

The City cannot predict whether or not a lawsuit will actually be filed, when or what claims would be made, what remedies would be sought, or whether or not such a lawsuit, if filed, would be successful. However, even if successful, Reassessment installments would not be available to pay any adverse judgment and the City does not expect that any such adverse judgment would adversely impact its ability to pay debt service on the Bonds.

RATINGS

Standard & Poor’s Rating Services, a Standard & Poor’s Financial Services LLC business (“S&P”), has assigned a rating of “A” to the Bonds. The rating reflects only the view of the rating agency, and does not constitute a recommendation to buy, sell or hold the Bonds. Explanation of the

significance of the rating may be obtained only from the organization at: Standard and Poor's Ratings Services, 55 Water Street, New York, New York 10041, telephone number: 212-208-1767. There is no assurance that such a rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by the rating agency, if in such rating agency's judgment circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of and/or the ability to trade the Bonds. The City did not seek ratings for the Bonds from any other rating agency.

UNDERWRITING

The Bonds are being purchased by Stifel, Nicolaus and Company, d/b/a Stone & Youngberg, a Division of Stifel Nicolaus (the "Underwriter"), at a price of \$3,550,330.05, being an amount equal to the principal amount of the Bonds plus an original issue premium of \$40,747.70, less an Underwriter's discount of \$35,417.65. The Bond Purchase Agreement pursuant to which the Underwriter is purchasing the Bonds provides that the Underwriter will purchase all of the Bonds if any are purchased. The obligation of the Underwriter to effect the purchase of the Bonds is subject to certain terms and conditions set forth in the Bond Purchase Agreement.

The Underwriter may offer and sell the Bonds to certain dealers and others at prices lower than the offering prices stated on the inside cover of this Official Statement. The offering prices may be changed from time to time by the Underwriter.

FINANCIAL ADVISOR

Urban Futures Inc., Orange, California, served as financial advisor to the City with respect to the sale of the Bonds. The Financial Advisor will receive compensation contingent upon the sale and delivery of the Bonds. The Financial Advisor has not audited, authenticated or otherwise independently verified the information set forth in the Official Statement.

VERIFICATION OF MATHEMATICAL ACCURACY

Causey Demgen & Moore P.C. (the "Verification Agent"), will deliver a report stating that the firm has verified (i) the accuracy of mathematical computations concerning the adequacy of the cash deposited in the Escrow Fund to pay the interest due with respect to the Prior City Bonds and the Authority Reassessment Bonds to and including the redemption date(s), and to pay on the redemption date(s) the redemption price(s) thereof and (ii) certain mathematical computations supporting the conclusion that the Bonds are not "arbitrage bonds" under the Code, which information will be used in part by Bond Counsel in concluding that interest on the Bonds is excluded from gross income for federal income tax purposes under present laws, including applicable provisions of the Code, existing court rulings, regulations and Internal Revenue Service rulings.

The report of the Verification Agent will include the statement that the scope of their engagement was limited to verifying the mathematical accuracy of the computations contained in such schedules provided to them and that they have no obligation to update their report because of events occurring, or data or information coming to their attention, subsequent to the date of their report.

CONTINUING DISCLOSURE

Pursuant to a Continuing Disclosure Certificate, the City will covenant for the benefit of the holders and beneficial owners of the Bonds to provide certain financial information and operating data relating to the City by not later than nine months after the end of the City's Fiscal Year (currently June 30) (the "Annual Report"), commencing in 2013 with the report for the Fiscal Year ending June 30, 2012, and to provide notices of the occurrence of certain enumerated events. The Annual Report and the notices of enumerated events will be filed by the City with the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access ("EMMA") system. The specific nature of the information to be contained in the Annual Report and the notices of enumerated events and the text of the Continuing Disclosure Certificate is set forth under the caption APPENDIX E – "FORM OF CONTINUING DISCLOSURE CERTIFICATE." A default under the Continuing Disclosure Certificate will not be an Event of Default under the Fiscal Agent Agreement. The sole remedy under the Continuing Disclosure Certificate in the event of any failure of the City to comply will be an action to compel specific performance. These covenants will be made in order to assist the Underwriter in complying with Rule 15c2-12(b)(5) of the Securities and Exchange Commission.

The City has not failed during the previous five years to comply in all material respects with any previous undertaking under such Rule, except that between February 1, 2008 and June 28, 2012, the City did not file event notices relating to the downgrades by Moody's, S&P and Fitch Ratings of the insured ratings of certain bonds for which the City entered into continuing disclosure undertakings. Such downgrades resulted from the downgrades of the ratings of the insurers of such bonds.

On June 29, 2012, and July 10, 2012, the City made corrective filings setting forth information regarding the downgrade of the insured ratings of such bonds. Additionally, the City has instituted additional procedures to ensure timely compliance in the future with its continuing disclosure undertakings.

APPENDIX A

CERTAIN DEMOGRAPHIC AND ECONOMIC INFORMATION CONCERNING THE CITY OF OAKLAND

Overview

The City of Oakland (the “City” or “Oakland”) is located in the County of Alameda (the “County”) on the eastern shore of the San Francisco Bay (the “Bay”), approximately seven miles from downtown San Francisco via the San Francisco-Oakland Bay Bridge. Occupying approximately 53.8 square miles, the City is the largest and most established of the “East Bay” cities. Its geography ranges from industrialized areas in the west, which border the Bay, to suburban foothills in the east. The City is the hub of an extensive transportation network, which includes several interstate freeways, the western terminus of major railroad and trucking operations, and one of the largest container-ship ports in the United States. The City is also served by an active international airport and the Bay Area Rapid Transit system (“BART”), which connects the City by commuter rail with most of the Bay Area. Formerly the industrial heart of the San Francisco Bay Area (the “Bay Area”), the City has developed into a diverse financial, commercial and governmental center. The City is the seat of government for the County and is the eighth most populous city in the State of California (the “State”), with a population of approximately 395,341 as of January 1, 2012.

Oakland has a diverse mix of traditional and new economy companies. Companies are attracted to the City’s excellent quality of life, comparatively low business costs, extensive fiber-optic infrastructure, vast intermodal network, and a highly skilled labor pool—ranked the eighth most educated (with a college degree) in the nation according to the 2000 U.S. census (which is the most recent data available). Leading industries include business services, health care services, transportation, food processing, light manufacturing, government, arts, culture, and entertainment. Prominent employers or businesses headquartered in the City include Clorox Company, Kaiser Permanente, Cost Plus and Dreyer’s Grand Ice Cream.

Culturally, the City is home to a regionally and nationally recognized symphony, many up-and-coming artistic and cultural institutions, an award-winning zoo, the Paramount Theatre and newly-renovated Fox Theater, a burgeoning restaurant scene, the recently remodeled Oakland Museum of California, and a vibrant nightlife. The City is also the only city in California outside of Los Angeles, and the only city in the Bay Area, with three major professional sports teams. The Oakland Athletics, the Golden State Warriors, and the Oakland Raiders all play at stadiums within the City, and at times these venues are used for other purposes, including concerts and other events. Oakland was ranked as the fifth most desirable destination to visit worldwide this year in The New York Times piece “The 45 Places to Go in 2012,” and was the top-ranked U.S. destination.

The City boasts one of the highest percentages of parks and open space per capita in the nation. The City counts lush green hills, redwood forests, creeks, an estuary, and two shimmering lakes among its natural amenities, and the extensive East Bay Regional Park District is easily accessible from the City.

City Government

The City was incorporated as a town in 1852 and as a city in 1854. In 1889, the City became a charter city. The City Charter (the “Charter”) provides for the election, organization, powers and duties of the legislative branch, known as the City Council (the “City Council”); the powers and duties of the executive and administrative branches; fiscal and budgetary matters, personnel administration, franchises, licenses, permits, leases and sales; employee pension funds; and the creation and organization of the Port of Oakland. An eight-member City Council, seven of whom are elected by district and one of whom is elected on a citywide basis, governs the City. The mayor of the City (the “Mayor”) is not a member of

the City Council but is the City's chief executive officer. The current Mayor, Jean Quan, is serving her first term, which expires in January 2015. No person can be elected Mayor for more than two consecutive terms. The Mayor and City Council members serve four-year terms staggered at two-year intervals. The City Attorney is elected to a four-year term, two years following the election of the Mayor. The current City Attorney, Barbara J. Parker, was appointed to fill the vacancy resulting from the resignation from office of the prior City Attorney. The current City Attorney's term will expire on December 31, 2012.

The Mayor appoints a City Administrator who is subject to confirmation by the City Council. The City Administrator is responsible for daily administration of City affairs and preparation of the annual budget for the Mayor to submit to the City Council. Subject to civil service regulations, the City Administrator appoints all City employees who are not elected officers of the City. The current City Administrator, Deanna J. Santana, was appointed on August 1, 2011.

The City provides a full range of services required by State law and the Charter, including those functions delegated to cities under State law. These services include public safety (police and fire), sanitation and environmental health enforcement, recreational and cultural activities, public improvements, planning, zoning and general administrative services.

Economic Highlights

The City is a central hub city for the Bay Area with a well-connected transportation network including interstate freeways, railroad and trucking operations, an airport and a major west coast port. The City is one of the most diverse cities in the nation with a highly skilled labor pool.

The following represent some of the major projects in the City that were recently completed or that are currently underway or in the final planning stages located in the City.

Major Projects Recently Completed:

- The Fox Theater, which is a national historic landmark, has undergone renovation to become a 3,000 person live performance venue, the home for the Oakland School for the Arts, a 600 student performing arts middle and high school, and Rudy's Can't Fail Café, a popular East Bay diner.
- The Uptown Housing Project Phase I provides 665 rental apartments, approximately 9,000 square feet of neighborhood-serving retail, and a 25,000 square foot public park. This was part of the 10K downtown housing initiative, an effort to attract 10,000 new residents to the areas surrounding the Central District. Since 1999, a total of 43 projects with 4,538 units have been completed under the 10K initiative and 2 projects with 107 units are under construction. Such units will provide housing for 7,715 new residents in the area.
- The City Walk Project, referred to as Domain by Alta, includes 264 rental apartments and approximately 3,000 square feet of neighborhood-serving retail business.
- After a two-year \$58-million renovation, the Oakland Museum of California ("OMCA") welcomed back the public in May 2010 with a dramatically different presentation of its renowned collections of California art and history. Created in 1969 as a "museum for the people," OMCA has revived its founding vision by introducing innovative exhibitions and programming, setting a new paradigm for the way a museum engages the public. OMCA's transformation is enhanced by the renovation and expansion of its iconic building. Renovation and reopening of the OMCA Natural Sciences Gallery is scheduled for 2013.

Major Projects That Are Currently Underway or in the Final Planning Stages:

- AMB Property Corporation and California Commercial Group have been contracted to develop the Oakland Army Base Project. The project is expected to include a logistics facility, a green business park accommodating the Film Center and Produce Market, and Class A office tower along with a large parking garage.

- In June 2010, the Redevelopment Agency and the City entered into a 12-year sublease for the George P. Scotlan Memorial Convention Center to develop appropriate marketing strategies and a capital improvement program for the renovation and modernization of the aging facility in order to enhance its appearance, marketability and long-term economic success. In July 2010 and June 2011, the Redevelopment Agency committed \$7.75 million to renovate the facility. The scope of work focuses mainly on cosmetic upgrades to the interior and major building systems, new furniture and fixtures, and remodeled bathrooms to make them ADA accessible. Construction started in October 2011 and most of the work was completed by March 2012. The rest of the work will be phased in during breaks in the facility's schedule and completed by January 2013.

- The Kaiser Hospital Master Plan includes the phased replacement of the existing MacArthur/Broadway medical center with a comprehensively planned state-of-the-art Medical Center of approximately 1.8 million square feet (exclusive of parking structures) on approximately 21 acres. The construction of the first medical office building and new parking structure is now complete and construction has begun on the new hospital building.

- The Alameda County Medical Center has begun its \$668 million Highland Hospital Tower Replacement Project. The new 9-story, 169-bed Acute Care Tower will house inpatient, maternal and child support services when completed in 2017.

- The \$500 million Oakland Airport Connector broke ground in October 2010. By mid-2014, the 3.2-mile automated guide rail connector is expected to offer reliable world-class service, transporting travelers from the Coliseum BART station to the Oakland International Airport in less than nine minutes.

- The MacArthur Transit Village Project is expected to include 624 housing units (108 units of which are expected to be low to moderate income housing) and approximately 42,500 square feet of retail. Demolition of existing structures, site clean-up and site preparation began in May 2011. The first phase of this project, which includes the replacement of the BART parking garage and public infrastructure, began in May 2012. Construction of the first phase of housing is anticipated to start in early 2013.

- Phase I of the Coliseum Transit Village consists of a sustainable transit oriented development on the 1.3-acre Coliseum BART parking lot and is expected to include 100 units of market rate housing and up to 3,000-5,000 square feet of neighborhood retail space. Lion Creek Crossings, which is immediately adjacent to the Coliseum Transit Village site, has approximately 380 affordable rental units already completed. An additional 72 Phase IV units were completed in May 2012.

Assessed Valuations. All property is assessed using full cash value as defined by Article XIII A of the State Constitution. State law provides exemptions from *ad valorem* property taxation for certain classes of property such as churches, colleges, nonprofit hospitals, and charitable institutions. State law also allows exemptions from *ad valorem* property taxation at \$7,000 of full value of owner-occupied dwellings and 100% of business inventories. Revenue losses to the City from the homeowner's exemption are replaced by the State.

Future assessed valuation growth allowed under Article XIII A—for new construction, certain changes of ownership, and with 2% annual increases allowed for inflation—will be allocated on the basis of “situs” among the jurisdictions that serve the tax rate area within which the growth occurs. Local agencies and schools will share the growth of “base” revenues from the tax rate area. Each year's growth allocation becomes part of each agency's allocation in the following year. The availability to such entities of revenue from growth in the tax base were affected by the establishment of redevelopment project areas which, under certain circumstances, were entitled to revenues resulting from the increase in certain property values. See “FINANCIAL INFORMATION – Dissolution of Redevelopment Agencies.”

Tax Levies, Collections and Delinquencies. Taxes are levied for each fiscal year on taxable real and personal property situated in the City as of the preceding January 1. A supplemental roll is developed when property is transferred or sold or new construction is completed that produces additional revenue.

Secured property taxes are due on November 1 and March 1 and become delinquent if not paid by December 10 and April 10, respectively. A 10% penalty attaches to any delinquent payment for secured roll taxes. In addition, property on the secured roll with respect to which taxes are delinquent becomes tax-defaulted. Such property may thereafter be redeemed by payment of the delinquent taxes and the delinquency penalty, plus interest at 1.5% per month from the July 1 first following the default. If taxes are unpaid for a period of five years or more, the property is subject to auction sale by the County Tax Collector.

In the case of unsecured property taxes, a 10% penalty attaches to delinquent taxes on property on the unsecured roll, and an additional penalty of 1.5% per month begins to accrue beginning November 1 of the fiscal year; a lien is also recorded against the assessee. The taxing authority has four ways of collecting unsecured personal property taxes: (1) pursuing a civil action against the taxpayer; (2) filing a certificate in the office of the clerk of the court specifying certain facts in order to obtain a judgment lien

on specific property of the taxpayer; (3) filing a certificate of delinquency for recordation in the County Recorder's Office in order to obtain a lien on specified property of the taxpayer; and (4) seizing and selling personal property, improvements, or possessory interests belonging or assessed to the assessee.

Certain counties within the State, including the County, have adopted an "Alternative Method of Distribution of Tax Levies and Collections and Tax Sale Proceeds" authorized under the State Revenue and Taxation Code (the "Teeter Plan"). Under the Teeter Plan local taxing agencies receive 100% of the tax levy for each fiscal year, rather than on the basis of actual collections. The City does not participate in the Teeter Plan and thus absorbs current delinquencies and receives the payment of past delinquencies, penalties, and interest.

The following Table A-8 represents a five-year history of the secured tax levy and of uncollected amounts in the City for Fiscal Years 2006-07 through 2010-11. Included in these collections are the City's share of the 1% tax rate and levies for voter-approved indebtedness.

SUMMARY OF THE FISCAL AGENT AGREEMENT

The following is a brief summary of certain provisions of the Fiscal Agent Agreement not otherwise described in the Official Statement. Reference should be made to such sections of the Official Statement for other information with respect to defined terms and to the terms of the Fiscal Agent Agreement and the Bonds. The summaries of portions of the Fiscal Agent Agreement set forth in such sections of the Official Statement and below are not intended to be definitive, and reference should be made to the Fiscal Agent Agreement for the complete terms thereof and of the Bonds.

All capitalized terms in this summary shall have the meanings assigned to them in the Fiscal Agent Agreement and, in the event of conflict between the use of such terms in this summary and the Official Statement, the definitions in the Fiscal Agent Agreement shall control.

GENERAL

The Fiscal Agent Agreement provides for the issuance of the Bonds, including the principal amounts, maturities, interest rates, and provision for redemption, both mandatory and optional. The Fiscal Agent Agreement also provides for the execution, authentication, delivery, transfer, exchange and replacement (for Bonds lost, mutilated or destroyed) of the Bonds. The Fiscal Agent Agreement also provides for the application of the proceeds of the Bonds into various funds described below and sets forth the duties and obligations of the City and the Fiscal Agent with respect to the funds and the Bonds as further summarized below. The Fiscal Agent Agreement also specifies the Permitted Investments for the proceeds of the Bonds and Reassessment deposited in the various funds.

FUNDS

The Fiscal Agent Agreement establishes certain funds for the Bonds which are:

Costs of Issuance Fund. This fund, established with a portion of the Proceeds of the Bonds, is held by the Fiscal Agent and used to pay the Costs of Issuance of the Bonds. The Fiscal Agent maintains this fund for 90 days or until the last known Costs of Issuance are paid, whichever is earlier and then transfers any remaining money from it to the Redemption Fund and closes the Costs of Issuance Fund. Moneys in the Costs of Issuance Fund are invested by the Fiscal Agent in Permitted Investments and interest earnings and profits are retained in the Costs of Issuance Fund until it is closed.

Redemption Fund. This fund is held by the Fiscal Agent and used to make payments of principal (including Sinking Fund Payments), interest and any premium on the Bonds. The Fiscal Agent makes payments for mandatory and optional redemptions of Bonds from the Redemption Fund. The Redemption Fund receives collections of unpaid Reassessments (and any penalties) received by the City from the County property tax billings, together with any other transfers as specified in the Fiscal Agent Agreement. The Fiscal Agent invests moneys in the Redemption Fund in Permitted Investments and interest earnings and profits on this fund are retained in this fund for its purposes. A Prepayment Account in the Redemption Fund is used for the collection of any funds paid to prepay any Reassessments and the distribution of such funds to redeem Bonds.

Reserve Fund. This fund is established with a portion of the proceeds of the Bonds, is held by the Fiscal Agent and is a special reserve fund to be used to assure timely payment of debt service on the Bonds if funds in the Redemption Fund are not available for that purpose. Under the Fiscal Agent

Agreement, the Fiscal Agent will transfer funds from the Reserve Fund to the Redemption Fund in the event there are not sufficient funds in the latter to make scheduled payments of principal and interest on the Bonds. Under the Fiscal Agent Agreement, withdrawals from the Reserve Fund are replenished from the proceeds of payment of delinquent Reassessments and the proceeds of foreclosure proceedings. The Fiscal Agent invests moneys in the Reserve Fund in Permitted Investments. Earnings and profits are retained in the Reserve Fund and are available, if the balance in the Reserve Fund exceeds the Reserve Requirement, first, to pay any rebate owing the federal government under the Internal Revenue Code of 1986 and its regulations (the "Tax Code"), and, second, to be transferred to the Redemption Fund as credits on Reassessments. When the Reserve Fund exceeds the amount required to retire the remaining Bonds and interest thereon, it is used for that purpose and is closed.

CITY COVENANTS

Under the Fiscal Agent Agreement, the City makes certain covenants with the Owners of the Bonds, including, but not limited to, compliance with applicable provisions of the Act and the Bond Law, timely collection of Reassessments (including delinquencies), and institution and prosecution of judicial foreclosure under the Bond Law to enforce collection of delinquent Reassessments. The City also covenants to take certain actions under the Tax Code, including, but limited to, avoidance of the Bonds being "arbitrage bonds" and being "federally guaranteed" and that the City will otherwise comply with the Tax Code or amendments thereto to maintain the exclusion from federal gross income, under Section 103 of the Tax Code, of interest on the Bonds.

INVESTMENTS

Under the Fiscal Agent Agreement, moneys in the various funds are invested in Permitted Investments as described therein. The Fiscal Agent or the City may act as principal or agent in acquiring or disposing of any investment. The Fiscal Agent is allowed to commingle investments for the purpose of making, holding and disposing of investments, subject to the requirement that the Fiscal Agent account for the investments according to the various funds under the Fiscal Agent Agreement. Under the Fiscal Agent Agreement, Permitted Investments are defined as:

- (a) Federal Securities;
- (b) Obligations of any of the following federal agencies which obligations represent the full faith and credit of the United States of America, including:
 - Export-Import Bank

(Ratings on holding companies are not considered as the rating of the bank);

(e) Commercial paper which is rated at the time of purchase at least "P-1" by Moody's or "A-1" by S&P and which matures not more than 270 calendar days after the date of purchase;

(f) Investments in a money market fund rated "AAAm" or "AAAm-G" or better by S&P;

(g) Pre-refunded Municipal Obligations defined as follows: any bonds or other obligations of any state of the United States of America or of any agency, instrumentality or local governmental unit of any such state which are not callable at the option of the obligor prior to maturity or as to which irrevocable instructions have been given by the obligor to call on the date specified in the notice; and

(i) which are rated, based on an irrevocable escrow account or fund (the "escrow"), in the highest rating category of Moody's or S&P or any successors thereto; or

(ii) (A) which are fully secured as to principal and interest and redemption premium, if any, by an escrow consisting only of cash or obligations described in paragraph (i) above, which escrow may be applied only to the payment of such principal of and interest and redemption premium, if any, on such bonds or other obligations on the maturity date or dates thereof or the specified redemption date or dates pursuant to such irrevocable instructions, as appropriate, and (B) which escrow is sufficient, as verified by a nationally recognized independent certified public accountant, to pay principal of and interest and redemption premium, if any, on the bonds or other obligations described in this paragraph on the maturity date or dates specified in the irrevocable instructions referred to above, as appropriate;

(h) Municipal Obligations rated "Aaa/AAA" or general obligations of states with a rating of "A2/A" or higher by both Moody's and S&P;

(i) the California Arbitrage Management Program (CAMP);

(j) other forms of investments (including repurchase agreements) with prior notice to S&P; and

(k) the Local Agency Investment Fund of the State of California, created pursuant to Section 16429.1 of the California Government Code, to the extent the Fiscal Agent is authorized to register such investment in the City's name.

THE FISCAL AGENT

U.S. Bank National Association, at its principal corporate trust office, in San Francisco, California, is the Fiscal Agent under the Fiscal Agent Agreement. Under that agreement, and as specified therein, the Fiscal Agent establishes, holds, invests, makes disbursements from and closes the funds described therein. The Fiscal Agent also acts as the registrar, authentication agent, paying and transfer agent for the Bonds and maintains registration books or accounts for the Bonds. The Fiscal Agent only undertakes the duties, subject to the limitations of liability as forth in, the Fiscal Agent Agreement and no implied covenants or obligations are read into the Fiscal Agent Agreement against the Fiscal Agent.

Under the Fiscal Agent Agreement, the City may replace the Fiscal Agent initially appointed, or any successor, but only with a bank or trust company having a combined capital (exclusive of borrowed capital) of at least \$75,000,000 and subject to supervision or examination by federal or state authority. The Fiscal Agent, at any time upon written notice to the City and the Owners, resign and such resignation shall become effective upon the acceptance of the appointment of a successor Fiscal Agent by the City.

Reference should be made to the provisions of the Fiscal Agent Agreement limiting the liability of the Fiscal Agent thereunder.

AMENDMENT OF THE FISCAL AGENT AGREEMENT

The Fiscal Agent Agreement and the rights and obligations of the City and of the Owners of the Bonds may be modified or amended at any time by a Supplemental Agreement pursuant to the affirmative vote at a meeting of Owners, or with the written consent without a meeting, of the Owners of at least sixty percent (60%) in aggregate principal amount of the Bonds then Outstanding, exclusive of Bonds disqualified as provided in the Fiscal Agent Agreement. No such modification or amendment shall (i) extend the maturity of any Bond or reduce the interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of, and the interest and any premium on, any Bond, without the express consent of the Owner of such Bond, or (ii) permit the creation by the City of any pledge or lien upon the unpaid Reassessments superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except as otherwise permitted by the Act, the Resolution, the laws of the State of California or the Fiscal Agent Agreement), or reduce the percentage of Bonds required for the amendment of the Fiscal Agent Agreement. With certain exceptions, any such amendment may not modify any of the rights or obligations of the Fiscal Agent without its written consent.

The Fiscal Agent Agreement and the rights and obligations of the City and of the Owners may also be modified or amended at any time by a Supplemental Agreement, without notice to or the consent of any Owners, only to the extent permitted by law and only for any one or more of the following purposes:

(A) to add to the covenants and agreements of the City in the Fiscal Agent Agreement contained, other covenants and agreements thereafter to be observed, or to limit or surrender any right or power in the Fiscal Agent Agreement reserved to or conferred upon the City;

(B) to make modifications not adversely affecting any outstanding series of Bonds of the City in any material respect;

(C) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in the Fiscal Agent Agreement, or in regard to questions arising under the Fiscal Agent Agreement, as the City and the Fiscal Agent may deem necessary or desirable and not inconsistent with the Fiscal Agent Agreement, and which shall not adversely affect the rights of the Owners of the Bonds; or

(D) to make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds.

DISCHARGE OF AGREEMENT

The City has the option to pay and discharge the entire indebtedness on all or any portion of the Bonds Outstanding in any one or more of the following ways:

(A) by well and truly paying or causing to be paid the principal of, and interest and any premium on, such Bonds Outstanding, as and when the same become due and payable;

(B) by depositing with the Fiscal Agent, in trust, at or before maturity, money which is fully sufficient to pay all Bonds Outstanding, including all principal, interest and redemption premiums; or

(C) by irrevocably depositing with the Fiscal Agent, in trust, cash and Defeasance Securities (which Defeasance Securities shall provide for the timely payment of principal and interest and cannot be callable or prepayable prior to maturity or earlier redemption of the Bonds (excluding securities that do not have a fixed par value and/or whose terms do not promise a fixed dollar amount at maturity or call date)) in such amount as the City shall determine, as confirmed by an independent certified public accountant, together with the interest to accrue thereon, to be fully sufficient to pay and discharge the indebtedness on such Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates.

If the City shall have taken any of the actions specified in (A), (B), or (C) above, and if such Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been given as provided in the Fiscal Agent Agreement or provision satisfactory to the Fiscal Agent shall have been made for the giving of such notice, then, at the election of the City, and notwithstanding that any Bonds shall not have been surrendered for payment, the pledge of the unpaid Reassessments and other funds provided for in the Fiscal Agent Agreement and all other obligations of the City under the Fiscal Agent Agreement with respect to such Bonds Outstanding shall cease and terminate, except only the obligation of the City to pay or cause to be paid the Owners of the Bonds not surrendered and paid all sums due thereon.

APPENDIX D
FORM OF OPINION OF BOND COUNSEL

August 30, 2012

The Honorable City Council
City of Oakland
150 Frank H. Ogawa Plaza, Suite 5330
Oakland, CA 94612

OPINION: *\$3,545,000 City of Oakland 2012 Limited Obligation Refunding Improvement Bonds, Reassessment District No. 99-1*

Members of the City Council:

We have acted as bond counsel in connection with the issuance by the City of Oakland (the “City”) of the captioned bonds (the “Bonds”), pursuant to the Refunding Act of 1984 for 1915 Improvement Act Bonds, being Division 11.5 of the California Streets and Highways Code (the “Act”) and Resolution No. 84013 entitled “A Resolution Authorizing the Issuance of Refunding Bonds, Approving and Directing the Execution of a Fiscal Agent Agreement, a Bond Purchase Agreement and an Escrow Deposit and Trust Agreement, Authorizing Sale of Bonds, Approving and Authorizing Distribution of an Official Statement, and Authorizing Other Related Documents and Actions with Respect Thereto,” adopted by the City Council of the City on July 17, 2012 (the “Resolution”) and a Fiscal Agent Agreement, dated as of August 1, 2012, by and between the City and The Bank of New York Mellon Trust Company, N.A., as fiscal agent (the “Fiscal Agent Agreement”). We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the City contained in the Resolution and in the certified proceedings and other certifications of public officials furnished to us, without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The City is duly created and validly existing as a municipal corporation and chartered city with the power to adopt the Resolution, to enter into the Fiscal Agent Agreement, and to perform the agreements on its part contained therein and issue the Bonds.
2. The Fiscal Agent Agreement has been duly approved by the City pursuant to the Resolution, and constitutes a valid and binding obligation of the City enforceable upon the City.
3. Pursuant to the Act, the Fiscal Agent Agreement creates a valid lien on the funds pledged by the Fiscal Agent Agreement for the security of the Bonds, subject to no prior lien granted under the Bond Law.
4. The Bonds have been duly authorized, executed and delivered by the City, and are valid and binding special obligations of the City, payable solely from the sources provided therefor in the Resolution and the Fiscal Agent Agreement.

5. The interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; it should be noted, however, that, for the purpose of computing the alternative minimum tax imposed on such corporations (as defined for federal income tax purposes), such interest is taken into account in determining certain income and earnings. The opinions set forth in the preceding sentence are subject to the condition that the City comply with all requirements of the Internal Revenue Code of 1986 that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excluded from gross income for federal income tax purposes. The City has covenanted to comply with each such requirement. Failure to comply with certain of such requirements may cause the inclusion of interest on the Bonds in gross income for federal income tax purposes to be retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

6. The interest on the Bonds is exempt from personal income taxation imposed by the State of California.

The rights of the owners of the Bonds, and the enforceability of the Bonds, the Resolution and the Fiscal Agent Agreement, may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and may also be subject to the exercise of judicial discretion in appropriate cases.

Respectfully submitted,

A Professional Law Corporation

Not later than 15 Business Days prior to the Annual Report Date, the City shall provide the Annual Report to the Dissemination Agent (if other than the City). If by 15 Business Days prior to the Annual Report Date the Dissemination Agent (if other than the City) has not received a copy of the Annual Report, the Dissemination Agent shall contact the City to determine if the City is in compliance with the previous sentence. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may include by reference other information as provided in Section 4 of this Disclosure Certificate; provided that the audited financial statements of the City may be submitted separately from the balance of the Annual Report, and later than the Annual Report Date, if not available by that date. If the City’s fiscal year changes, it shall give notice of such change in the same manner as for a Listed Event under Section 5(f).

(b) If the City does not provide (or cause the Dissemination Agent to provide) an Annual Report by the Annual Report Date, the City shall provide (or cause the Dissemination Agent to provide) to the MSRB, in an electronic format as prescribed by the MSRB, a notice in substantially the form attached as Exhibit A.

If the City's audited financial statements are not available by the Annual Report Date, the Annual Report shall contain unaudited financial statements in a format similar to the financial statements contained in the final Official Statement and the audited financial statements shall be provided to the MSRB in the same manner as the Annual Report when they become available.

(b) The following additional items:

1. Balances in the Improvement Fund, the Redemption Fund and the Reserve Fund created pursuant to the Fiscal Agent Agreement as of the end of the Fiscal Year covered by the respective Annual Report;

3. Delinquency information, including a list of all parcels delinquent in the payment of the Reassessment, amounts of delinquencies, length of delinquency and status of any foreclosure for each parcel listed (including results of foreclosure sales).

(c) In addition to any of the information expressly required to be provided under this Disclosure Certificate, the City shall provide such further material information, if any, as may be necessary to make the specifically required statements, in the light of the circumstances under which they are made, not misleading.

(d) Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues of the City or related public entities, which are available to the public on the EMMA web site of the MSRB or filed with the Securities and Exchange Commission. The City shall clearly identify each such other document so included by reference.

1. Principal and interest payment delinquencies;
2. Unscheduled draws on debt service reserves reflecting financial difficulties;

9. Bankruptcy, insolvency, receivership or similar event of the obligated person.

Note: for the purposes of the event identified in subparagraph (9), the event is considered to occur when any of the following occurs: the appointment of a receiver, fiscal agent or similar officer for an obligated person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the obligated person, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person.

(c) The City notes that Sections 5(a)(3), (4) and (5) and 5(b)(1) and (4) are not applicable to the Bonds.

(d) The City shall give, or cause to be given, in a timely manner, notice of a failure to provide the annual financial information on or before the date specified in Section 3(a), as provided in Section 3(b).

(e) Whenever the City obtains knowledge of the occurrence of a Listed Event described in Section 5(b), the City shall determine if such event would be material under applicable federal securities laws.

(f) If the City learns of the occurrence of a Listed Event described in Section 5(a), or determines that knowledge of a Listed Event described in Section 5(b) would be material under applicable federal securities laws, the City shall within ten business days of occurrence file a notice of such occurrence with the MSRB in electronic format accompanied by such identifying information, all as prescribed by the MSRB. Notwithstanding the foregoing, notice of the Listed Event described in subsections (a)(7) or (b)(3) need not be given under this subsection any earlier than the notice (if any) of the underlying event is given to Owners of affected Bonds pursuant to the Fiscal Agent Agreement.

Section 6. Termination of Reporting Obligation. The obligations of the City under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds or if less than all the Bonds are defeased, with respect to those Bonds. If such termination occurs prior to the final maturity date of the Bonds, the City shall give notice of such termination in the same manner as for a Listed Event under Section 5(f).

Section 7. Dissemination Agent. The City may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out the obligations under this Disclosure Certificate, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the City pursuant to this Disclosure Certificate. If at any time there is not any other designated Dissemination Agent, the City shall be the Dissemination Agent. The initial Dissemination Agent shall be the City.

Section 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the City may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Section 3(a), 4, 5(a), (b), (d) or (f), or 8(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of a majority in aggregate principal amount of the Bonds in the same manner as provided in the Fiscal Agent Agreement for amendments to the Fiscal Agent Agreement with the consent of Owners, or (ii) does not, in the opinion of the City Attorney or of nationally recognized bond counsel, materially impair the interests of the Owners or Beneficial Owners of the Bonds. The City also may amend this Disclosure Certificate without approval by the Owners to the extent permitted by rule, order or other official pronouncement of the SEC.

In the event of any amendment or waiver of a provision of this Disclosure Certificate, the City shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(f), and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 9. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the City chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the City shall have no obligation under this Disclosure Certificate to update such information or include it in any Annual Report or future notice of occurrence of a Listed Event.

Section 10. Default. In the event of a failure of the City to comply with any provision of this Disclosure Certificate, any Owner or Beneficial Owner or any Participating Underwriter of the Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the City to comply with its obligations under this Disclosure Certificate. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Fiscal Agent Agreement, and the sole remedy under this Disclosure Certificate in the event of any failure of the City to comply with this Disclosure Certificate shall be an action to compel performance.

Section 11. Prior Undertakings. The City hereby certifies that during the previous five years, it has complied in all material respects with all prior undertakings made by it pursuant to Rule 15c2-12(b)(5).

Section 12. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the City, the Participating Underwriters and the Owners and Beneficial Owners from time to time of the Bonds, and shall create no rights in any other person or entity (except the right of the Dissemination Agent or any Owner or Beneficial Owner to enforce the provisions of the Disclosure Certificate on behalf of the Owners). This Disclosure Certificate is not intended to create any monetary rights on behalf of any person based upon the Rule.

Section 13. Partial Invalidity. If any one or more of the agreements or covenants or portions thereof required hereby to be performed by or on the part of the City shall be contrary to law, then such agreement or agreements, such covenant or covenants or such portions thereof shall be null and void and shall be deemed separable from the remaining agreements and covenants or portions thereof and shall in no way affect the validity hereof, and the Owners of the Bonds shall retain all the benefits afforded to them hereunder. The City hereby declares that it would have executed and delivered this Disclosure Certificate and each and every other article, section, paragraph, subdivision, sentence, clause and phrase hereof irrespective of the fact that any one or more articles, sections, paragraphs, subdivisions, sentences, clauses or phrases hereof or the application thereof to any person or circumstance may be held to be unconstitutional, unenforceable or invalid.

Section 14. Governing Law. The laws of the State shall govern this Disclosure Certificate, the interpretation thereof and any right or liability arising hereunder. Any action or proceeding to enforce or interpret any provision of this Disclosure Certificate shall be brought, commenced or prosecuted in any court of the State located in Alameda County, California.

Section 15. Effective Date. This Disclosure Certificate shall be effective on and as of the date hereof.

APPENDIX F

DTC AND THE BOOK-ENTRY ONLY SYSTEM

The information in this Appendix F concerning The Depository Trust Company, New York, New York ("DTC") and DTC's book-entry only system has been obtained from DTC and the City takes no responsibility for the completeness or accuracy thereof. Accordingly, the Direct Participants, the Indirect Participants and the Beneficial Owners should not rely on the information in this Appendix F with respect to such matters, but should instead confirm the same with DTC or the Direct Participants, as the case may be. The City cannot and does not give any assurances that DTC, Direct Participants or Indirect Participants will distribute to the Beneficial Owners (all as defined below) (a) payments of interest, principal or premium, if any, with respect to the Bonds, (b) certificates representing ownership interest in or other confirmation of ownership interest in the Bonds, or (c) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Bonds, or that they will so do on a timely basis, or that DTC, Direct Participants or Indirect Participants will act in the manner described in this Appendix. The current "Rules" applicable to DTC are on file with the Securities and Exchange Commission and the current "Procedures" of DTC to be followed in dealing with Direct Participants are on file with DTC.

Neither the City nor the Fiscal Agent will have any responsibility or obligations to the DTC, the Direct Participants, the Indirect Participants of DTC or the Beneficial Owners with respect to: (1) the accuracy of any records maintained by DTC or any Direct Participants or Indirect Participants of DTC; (2) the payment by DTC or any Direct Participants or Indirect Participants of DTC of any amount due to any Beneficial Owner in respect of the Debt Service on the Bonds; (3) the delivery by DTC or any Direct Participants or Indirect Participants of DTC of any notice to any Beneficial Owner that is required or permitted to be given to owners under the terms of the Fiscal Agent Agreement; or (4) any consent given or other action taken by DTC as registered owner of the Bonds.

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com. The information set forth on such web site is not incorporated by reference.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual

purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Fiscal Agent and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within a maturity are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC’s MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments and premiums, if any, and purchase prices, if any, on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from the issuer or the paying agent, on payable date in accordance with their respective holdings shown on DTC’s records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such Participant and not of DTC, the Fiscal Agent, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest and premiums, if any, and purchase prices, if any, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Fiscal Agent, disbursement of

such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the City or the Fiscal Agent. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but the City takes no responsibility for the accuracy thereof.

Discontinuation of Book-Entry Only System; Payment to Beneficial Owners

In the event that the book-entry system described above is no longer used with respect to the Bonds, the provisions of the Fiscal Agent Agreement relating to place of payment, transfer and exchange of Bonds, regulations with respect to exchanges and transfers, Bond register, Bonds mutilated, destroyed or stolen, and evidence of signatures of Bond Owners and ownership of Bonds will govern the payment, registration, transfer, exchange and replacement of the Bonds. Interested persons should contact the City or the Fiscal Agent for further information regarding such provisions of the Fiscal Agent Agreement.
