Dear Inspector General Phillips,

I share your concerns regarding the CPRA's need for Standard Operating Procedures. Further, I share your commitment to ensuring an independent investigative process. As I complete my first month as Executive Director of the CPRA, I will be providing an update to the Police Commission. This overall report-out will likely answer questions posed in your letter dated July 6, 2023. To ensure I am reporting to the Commission first and foremost, I would ask that you refer first to my remarks on July 27, 2023, and if you have additional questions, follow up directly with my office.

I am glad our concerns overlap, and I look forward to working together to build a world class police oversight system in Oakland.

Sincerely,

Mac Muir, Executive Director
