Comments:

The Oakland Police Department

OPD strives to ensure victims of crime are well-connected to support as they navigate some of the hardest moments of their lives. The Victim Services Unit of OPD provides referrals for direct services, continued follow-up care and advocacy and criminal justice support.

California Victim Bill of Rights

Marsy's Law

In the state of California, victims have a number of rights throughout the criminal justice process. This Victims' Bill of Rights, otherwise known as Marsy's Law. For the full text and more info about the state of California Victim Services, visit: www.oag.ca.gov/victimservices

California Victim Compensation Program

If you or a member of your family sustained injury or threat of injury as a direct result of a crime, you may be eligible to receive financial assistance through the CalVCB. The District Attorney's Victim/Witness Division advocates provide help in filling out the CalVCB application and resources for crime related needs.
