PUBLIC HEARINGS

The hearing provides opportunity for all concerned persons to speak on each item. The hearing will normally be closed after all testimony has been heard. If you challenge a Commission decision in court, you will be limited to issues raised at the public hearing or in correspondence delivered to the Planning and Building Department, at, or prior to, the public hearing.

The Commission will then vote on the matter based on the staff report and recommendation. If the Commission does not follow the staff recommendation and no alternate findings for decision have been prepared, then the vote on the matter will be considered a “straw” vote, which essentially is a non-binding vote directing staff to return to the Commission at a later date with appropriate findings for decision and, as applicable, conditions of approval that the Commission will consider in making a final decision.

If you wish to learn more about the Commission’s decision on a specific agenda item, please contact the Case Planner identified for each item.

Except where noted, once a decision is reached by the Planning Commission on an application, it is appealable to the City Council. **Such appeal must be filed within ten (10) calendar days of the date of decision by the Planning Commission and by 4:00pm** An appeal shall be on a form provided by the **Bureau of Planning – Zoning**, and submitted via email to your Case Planner, the Zoning Manager (Rmerkamp@oaklandca.gov) and the Development Planning Manager (Cpayne@oaklandca.gov). The appeal form is available online at <https://www.oaklandca.gov/documents/appeal-application-form>. The appeal shall state specifically wherein it is claimed there was error or abuse of discretion by the Zoning Manager or decision-making body or wherein the decision is not supported by substantial evidence. Applicable appeal fees in accordance with the City of Oakland Master Fee Schedule must be paid within five business days of filing the appeal. If you are unable to contact the City via email, you must contact the Case Planner by phone **as soon as possible**, but before the appeal deadline, to arrange for an alternate method of submitting your appeal.

Failure to file a timely appeal will preclude you from challenging the City’s decision in court. The appeal itself must raise every issue that is contested along with all the arguments and evidence previously entered into the record during the

previously entered into the record during the public notice period and/or during the hearing. Failure to do so will preclude you from raising such issues during the appeal hearing and/or in court.

APPEALS
