WHEREAS, on March 4, 2020, Governor Gavin Newsom declared a state of emergency related to COVID-19, pursuant to Government Code Section 8625, and such declaration has not been lifted or rescinded. *See* <https://www.gov.ca.gov/wp-content/uploads/2020/03/3.4.20-Coronavirus-SOE-Proclamation.pdf>; and

WHEREAS, on March 9, 2020, the City Administrator in their capacity as the Director of the Emergency Operations Center (EOC), issued a proclamation of local emergency due to the spread of COVID-19 in Oakland, and on March 12, 2020, the City Council passed Resolution No. 88075 C.M.S. ratifying the proclamation of local emergency pursuant to Oakland Municipal Code (O.M.C.) section 8.50.050(C); and

WHEREAS, City Council Resolution No. 88075 remains in full force and effect to date; and

WHEREAS, the Centers for Disease Control (CDC) recommends physical distancing of at least six (6) feet whenever possible, avoiding crowds, and avoiding spaces that do not offer fresh air from the outdoors, particularly for people who are not fully vaccinated or who are at higher risk of getting very sick from COVID-19. *See* <https://www.cdc.gov/coronavirus/2019ncov/prevent-getting-sick/prevention.html>; and

WHEREAS, holding in-person meetings would encourage community members to come to City facilities to participate in local government, and some of them would be at high risk of getting very sick from COVID-19 and/or would live with someone who is at high risk; and

WHEREAS, in-person meetings would tempt community members who are experiencing COVID-19 symptoms to leave their homes in order to come to City facilities and participate in local government; and

OPD NEWS:

OPD Makes Multiple Arrests in Power Tool Robberies

Over the last four months, the City of Oakland experienced a spike in armed power tool robberies. So far this year, the Oakland Police Department (OPD) has investigated four of these violent cases.

On January 24, 2023, OPD's Violent Crime Operations Center (VCO) and the US Marshals, made an arrest of an individual linked to several power tool robberies in Oakland.

On January 10, 2023, another individual, unrelated to the arrest noted above, was taken into custody for a separate incident involving a power tool robbery.

Investigators in OPD's Criminal Investigation Division (CID) continue to work diligently on both of these cases, and are connecting with law enforcement agencies in other cities to determine any possible association to open power tool robbery cases in their departments.

With the current trends and patterns of armed power tool robberies, construction and service contractors are easily identifiable because of their company logos on their work vans and trucks.

Please consider the following tips in an effort to ensure your safety.

Reduce Your Risk:

- Always be aware of your surroundings, especially when loading/unloading tools from your work van or truck.
- Always close the windows and lock the doors when leaving your vehicle.

Track Your Tools:

- Engrave your name or company's name, as well as your phone number, on your tools.
- Remove the batteries from your tools. This makes selling them more difficult.
- If you leave your tools in an open area, lock them up with harden-steel security chains and high-quality padlocks.
- Add GPS trackers to your tools.
- Never leave your tools in plain view in the backseat of a vehicle, or the bed of a truck.

OPD'S Commitment:

- OPD Commanders continue to deploy additional officers in the parts of Oakland that are impacted by the spike in these armed robberies.

If you are a victim or have information regarding those who may be responsible for these violent robberies, please call (510) 238-3426.
