

Volunteer Oakland!

Adopt-A-Spot Adopt-A-Drain

We provide free tool loans, supplies, and the resources you need to succeed!

How It Works

1. CHOOSE YOUR SPOT

Pick a local area that's important to you – whether it's a park, a street, a waterway, or even the storm drain on your street.

Other Ways To Get Involved!

COMMUNITY CLEANUPS:

Lead or join a neighbor clean-up or planting event!

2. COMMIT TO STEWARD YOUR SPOT

Help with activities like picking up litter, removing graffiti, or caring for plants and green spaces on an ongoing basis—small actions that make a big difference.

ANNUAL CITY EVENTS:

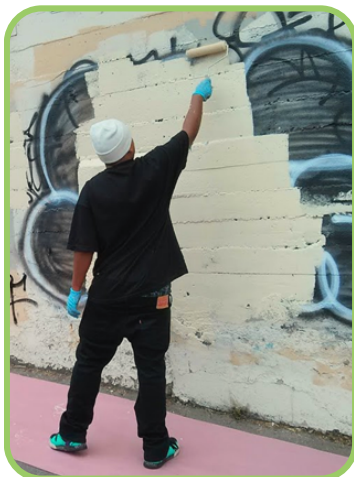

Volunteer alongside others on:

- **MLK Day of Service**– 3rd Monday in January
- **Earth Day**– 3rd Saturday in April
- **Creek to Bay Day**– 3rd Saturday in September

3. MAKE A VISIBLE IMPACT

Track and share your efforts to celebrate the positive change you're creating.
