

## ABOUT THE PROJECT

OakDOT has Highway Safety Improvement Program (HSIP) Cycle 9 funding to install safety improvements along MacArthur Blvd between 69th and 96th Avenues. See the map on the following page for improvement locations. Project work includes:

- Curb bulb-outs
- Pedestrian median refuge islands
- Crosswalk enhancements
- New street signage
- Refreshed roadway striping
- Rectangular rapid flashing beacons (RRFBs)
- Speed cushions

EXAMPLE PROJECT AT MACARTHUR AND 82ND AVE

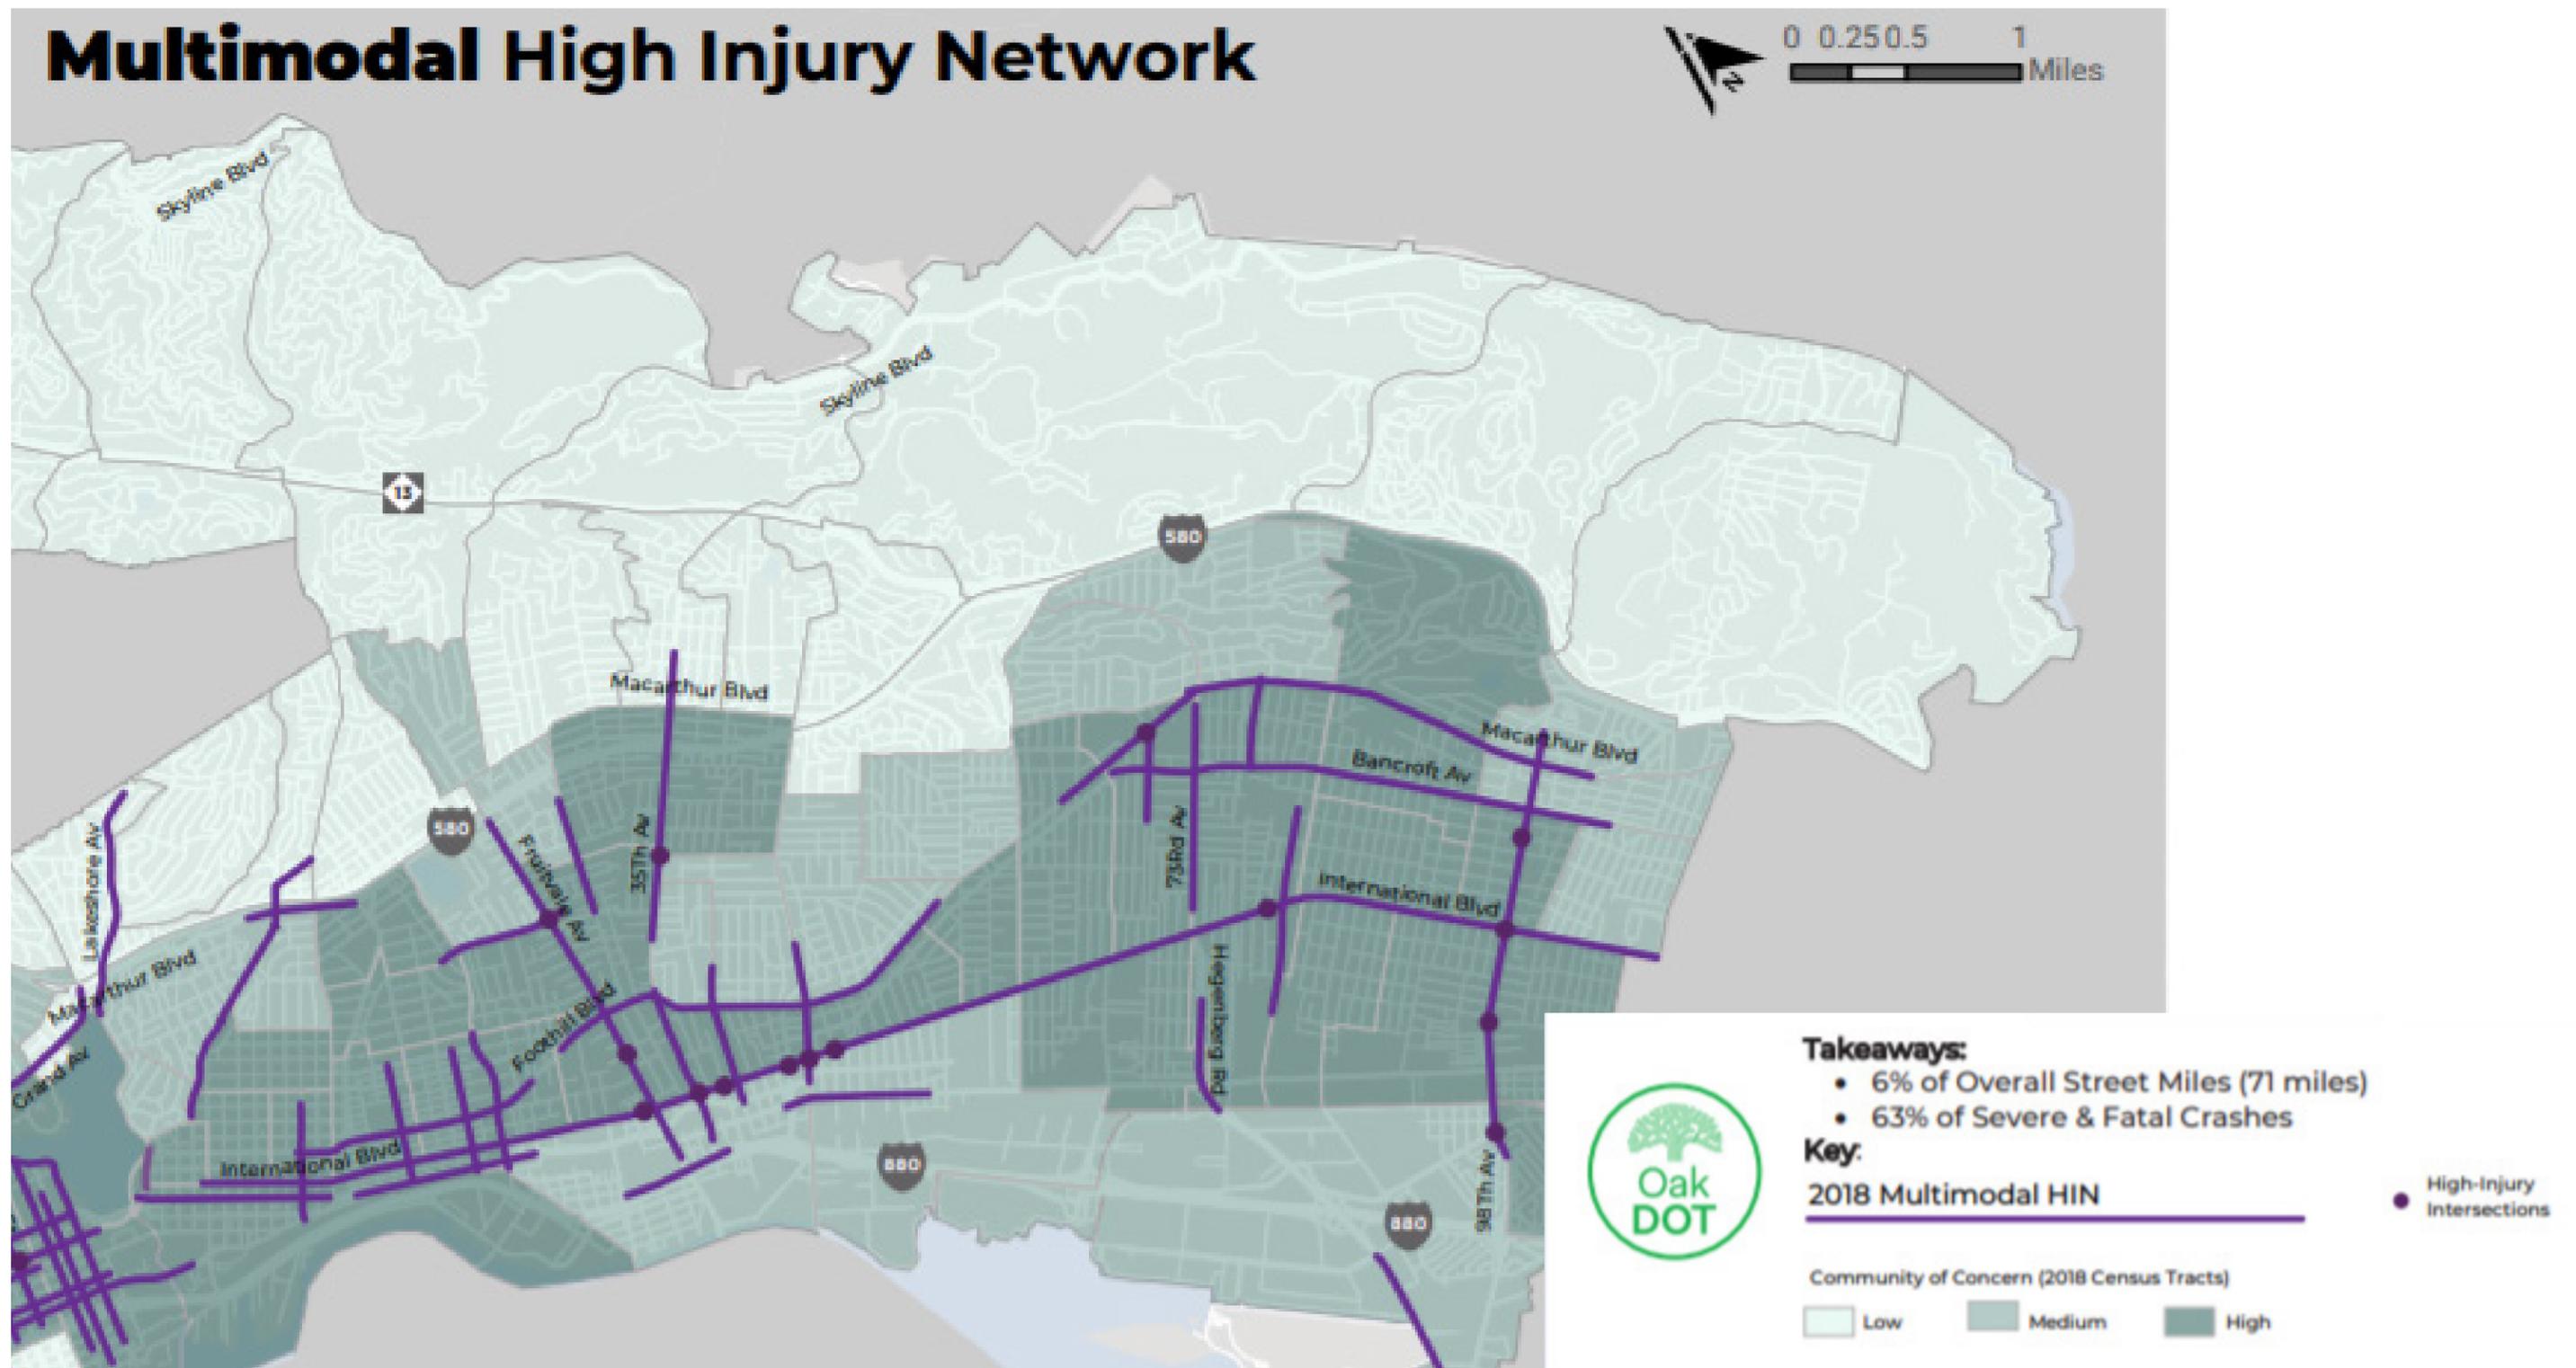

# HSIP Cycle 9 Improvements: MacArthur Boulevard

Delivering traffic calming and pedestrian safety through Federal Funding

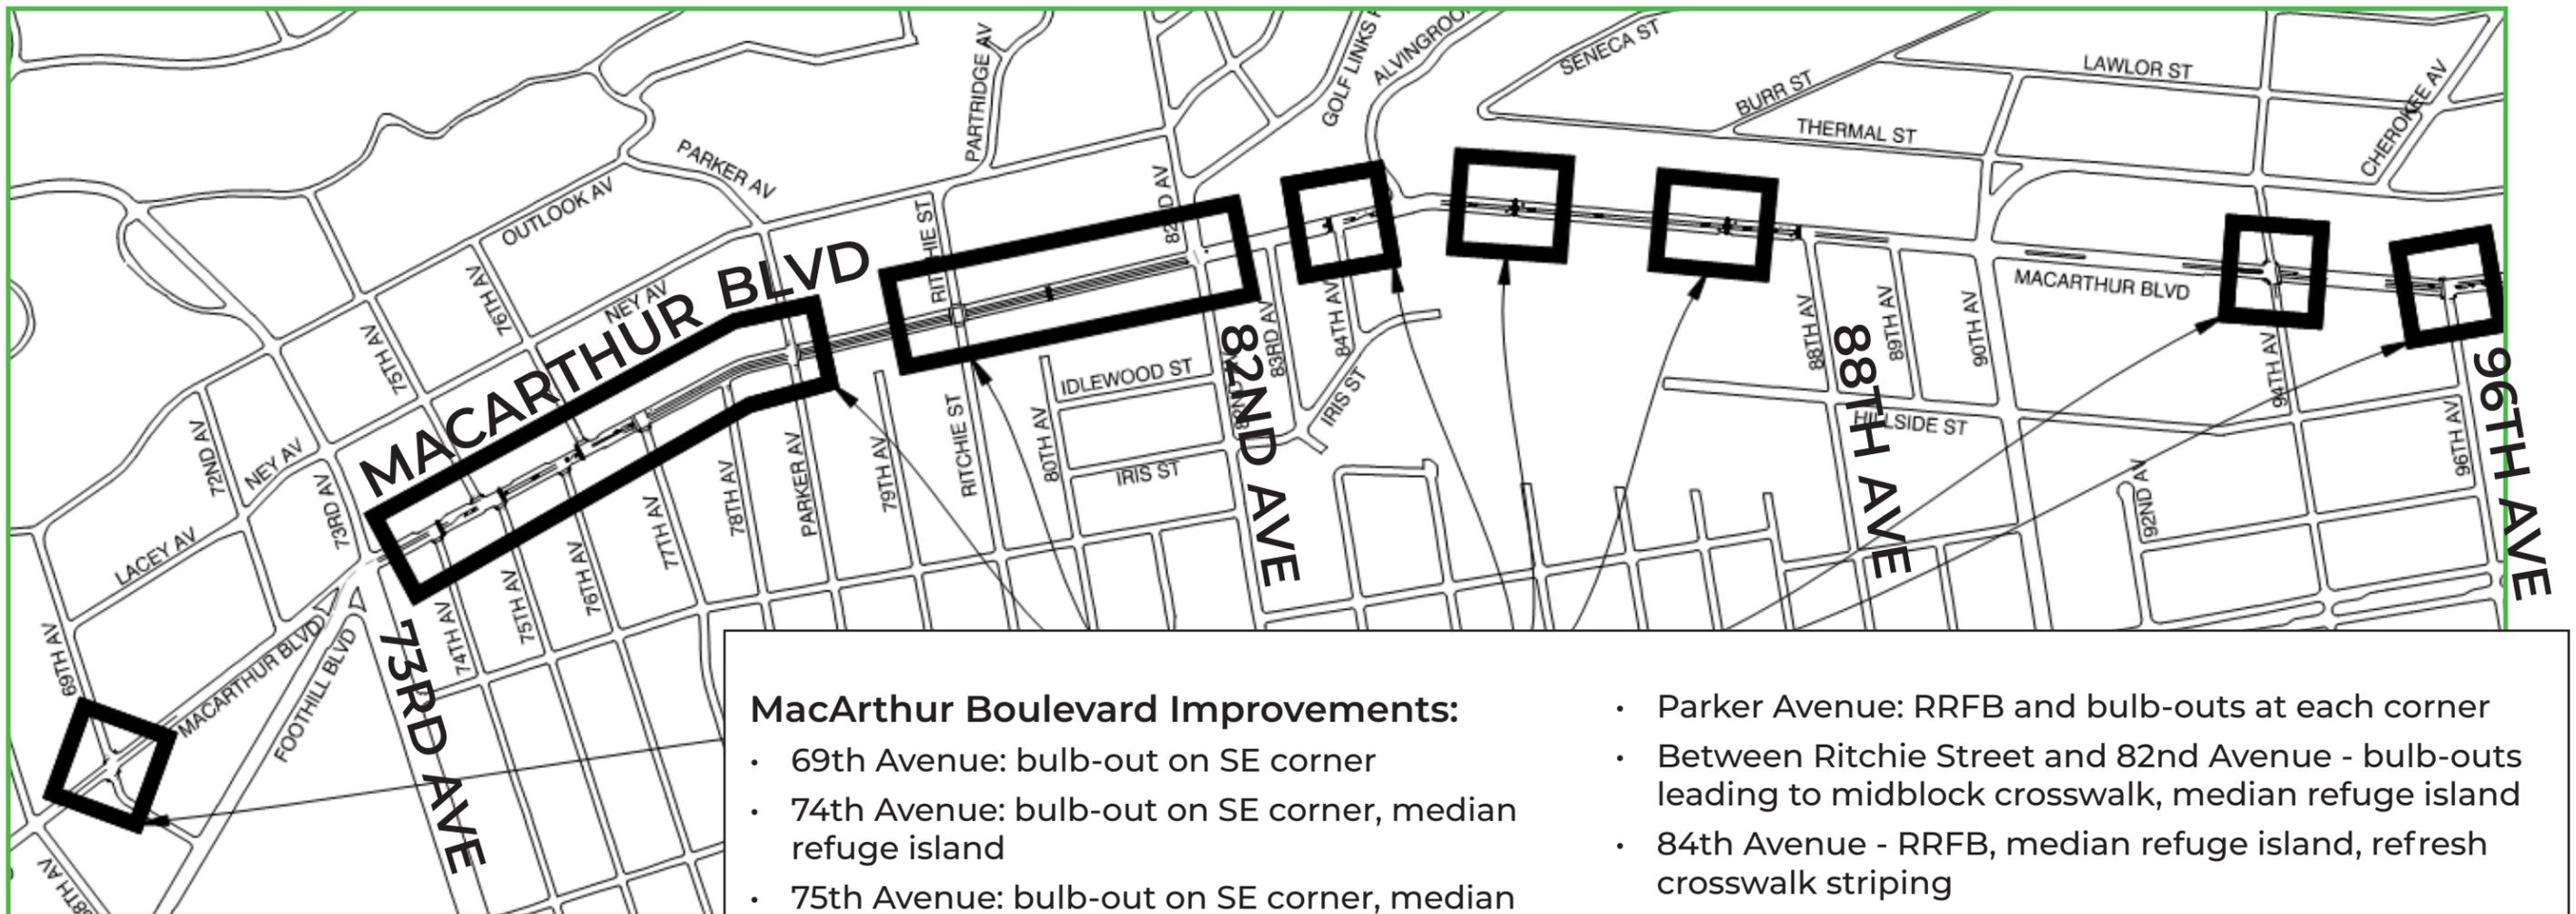

City of  
Oakland

Department of  
Transportation

## PROJECT LOCATION

### MacArthur Boulevard Improvements:

- 69th Avenue: bulb-out on SE corner
- 74th Avenue: bulb-out on SE corner, median refuge island
- 75th Avenue: bulb-out on SE corner, median refuge island
- 76th Avenue: bulb-out on NW corner, median refuge island
- 78th Avenue: bulb-out on NW corner, median refuge island
- Parker Avenue: RRFB and bulb-outs at each corner
- Between Ritchie Street and 82nd Avenue - bulb-outs leading to midblock crosswalk, median refuge island
- 84th Avenue - RRFB, median refuge island, refresh crosswalk striping
- Between Alvingroom Court and 88th Avenue - RRFBs, median refuge islands, speed cushions at Castlemont High
- 94th Avenue - RRFB
- 96th Avenue - bulb-outs at NW and NE ends of intersection

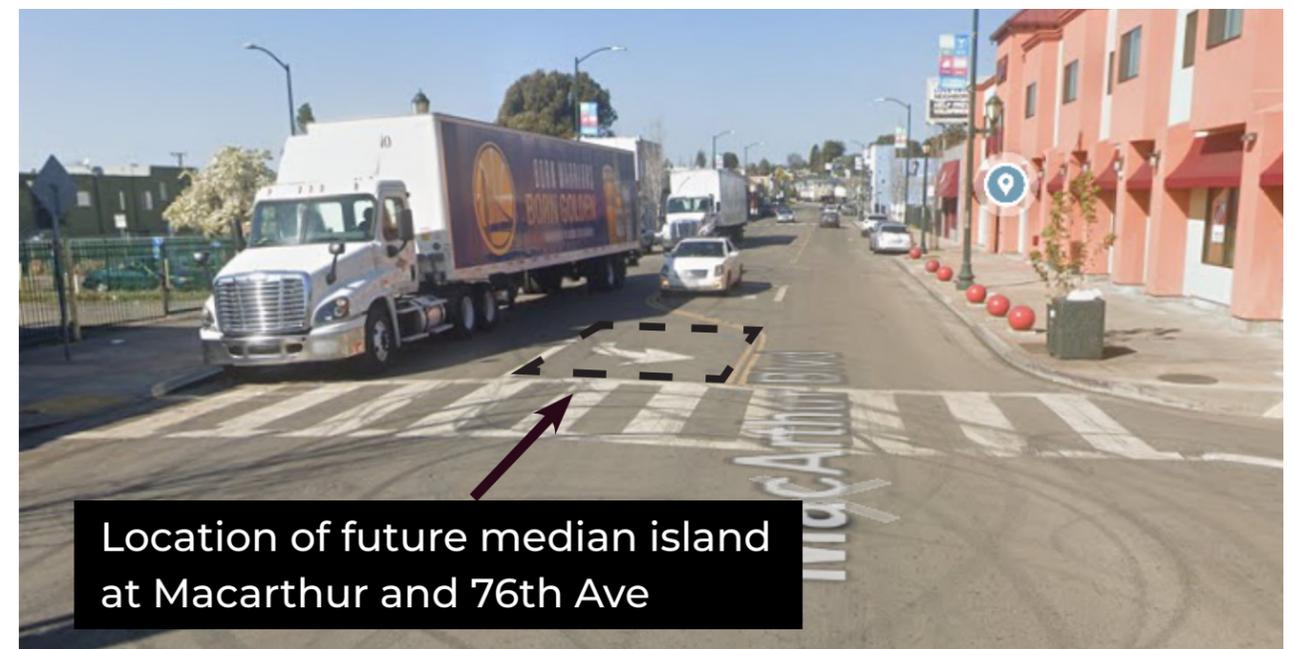

## EXAMPLES OF PROPOSED ROADWAY IMPROVEMENTS

## RECTANGULAR RAPID FLASHING BEACON (RRFB)

RRFBs are button-activated traffic safety devices that rapidly flash bright white lights to alert drivers to the presence of pedestrians. RRFBs help improve traffic safety in areas with high speed vehicle traffic, or where there are higher numbers of pedestrians or other people not traveling by car. RRFB's will be installed at Parker Avenue, 84th Avenue, between Alvingroom Court and 88th Avenue, and 94th Avenue.

## SCHEDULE/NEXT STEPS

- » Winter/Spring 2022 - Public Outreach
  - Mailing informational postcard to stakeholders near the project
  - Presentations to Neighborhood Councils and stakeholder groups
- » Spring 2022 - Project Bid Award
- » Summer/Fall 2022 - Construction
