

# Statement of Completion of Civil Engineer(s) in Responsible Charge - Final Completion

**Re: Grading Permit #:** \_\_\_\_\_  
**Project Address:** \_\_\_\_\_  
**APN #:** \_\_\_\_\_  
**Date:** \_\_\_\_\_

This is to certify that in accordance with Section 15.04.3.2075 of the Oakland Municipal Code, we confirm that the following items have been completed and/or are true to the best of my knowledge and belief:

1. All portions of grading work have been done in accordance with the plans and amended plans prepared or adjusted by the undersigned Civil Engineer in Responsible Charge (or by personnel under his/her supervision) and approved by the Building Official.
2. The finish graded slopes in the subject area are in a stable condition.
3. Interim and/or permanent erosion and sedimentation control measures have been taken as required. All measures taken will adequately control erosion and sedimentation if properly maintained, until permanent erosion control planting is effectively established.
4. All compaction is adequate for the uses proposed for the property and adequate to develop the recommended bearing pressures.
5. No additional limitations are imposed on the development of the property because of soil conditions and amendments to the approved grading plan.
